

PATOLOGIA RENALA

MALFORMATII

Malformațiile numerice

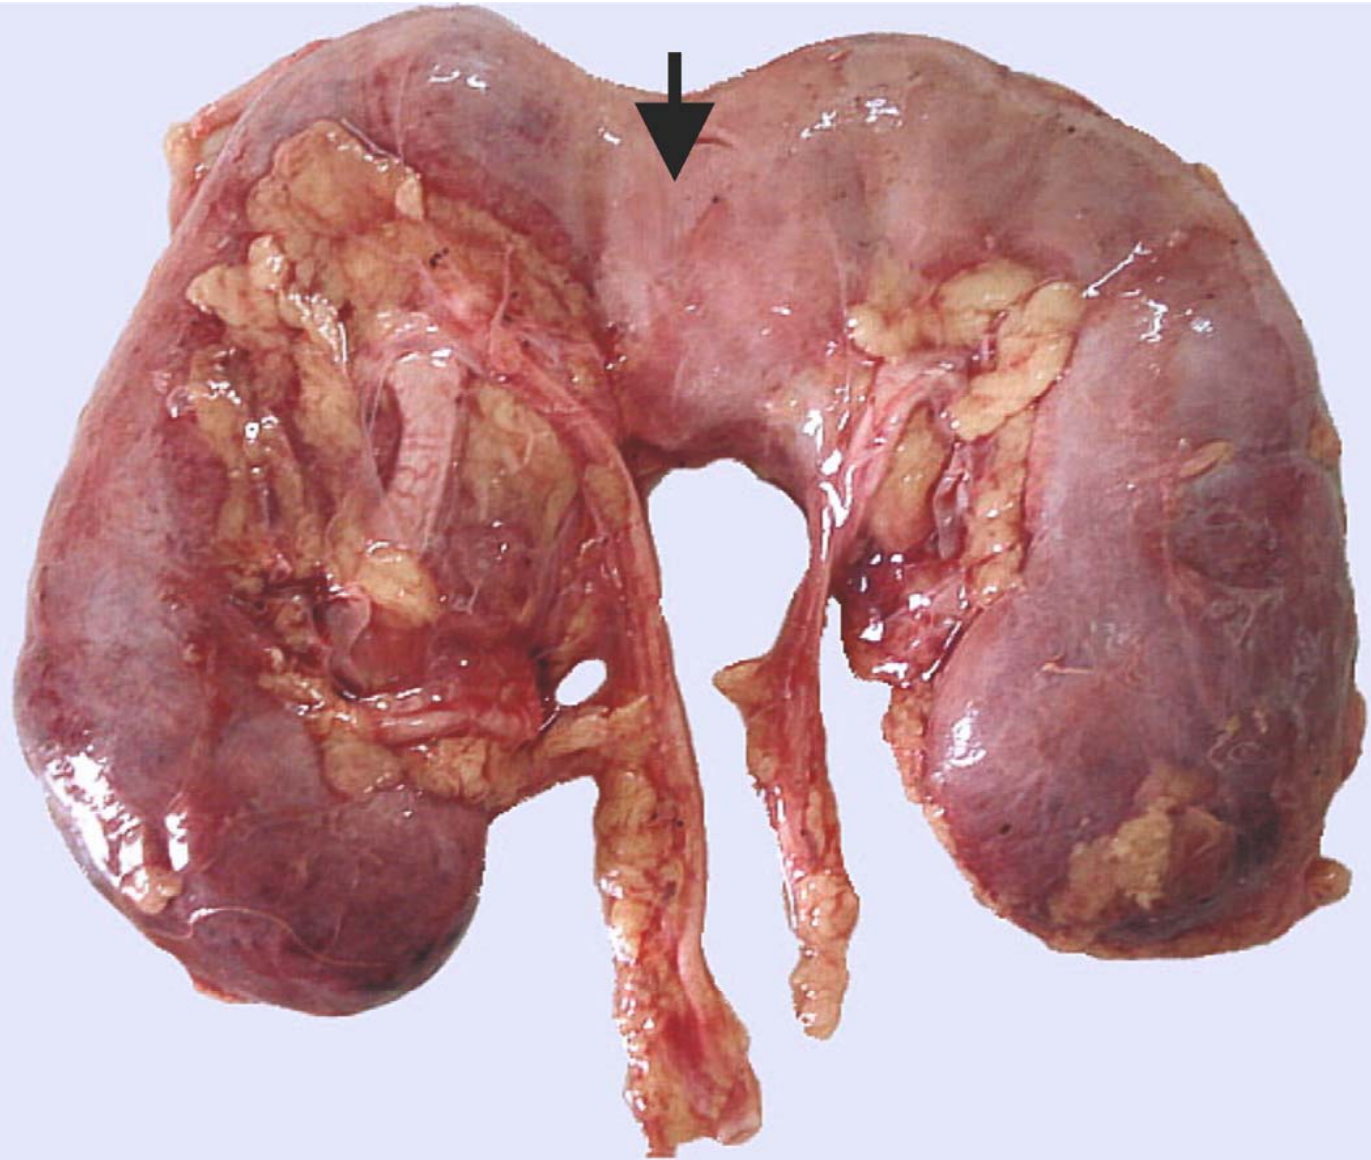

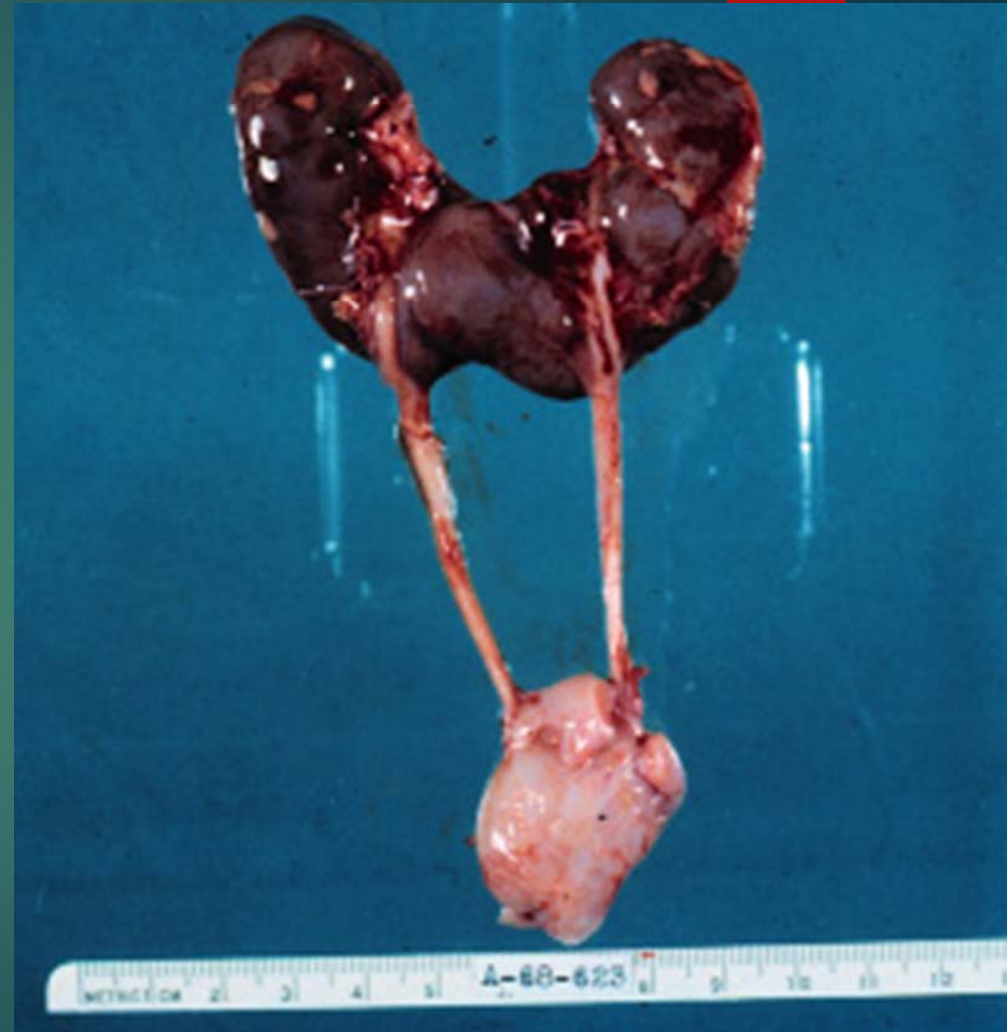

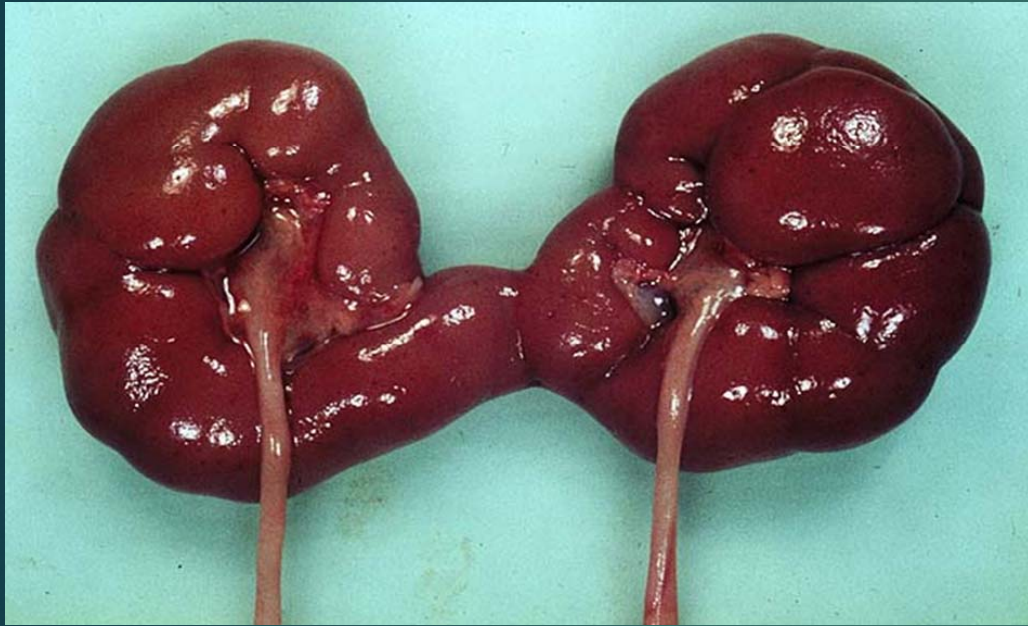

AGENEZIE RENALA

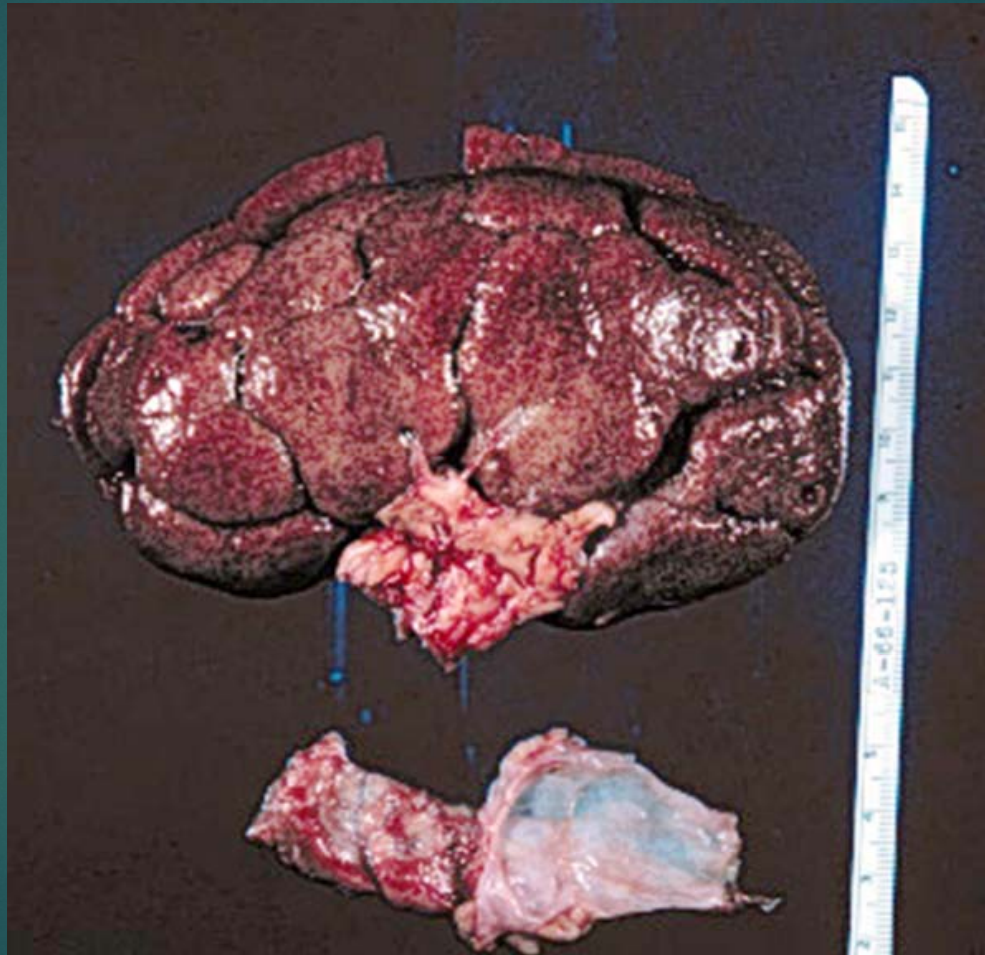

RINICHI DUBLU

Malformatii
de structura

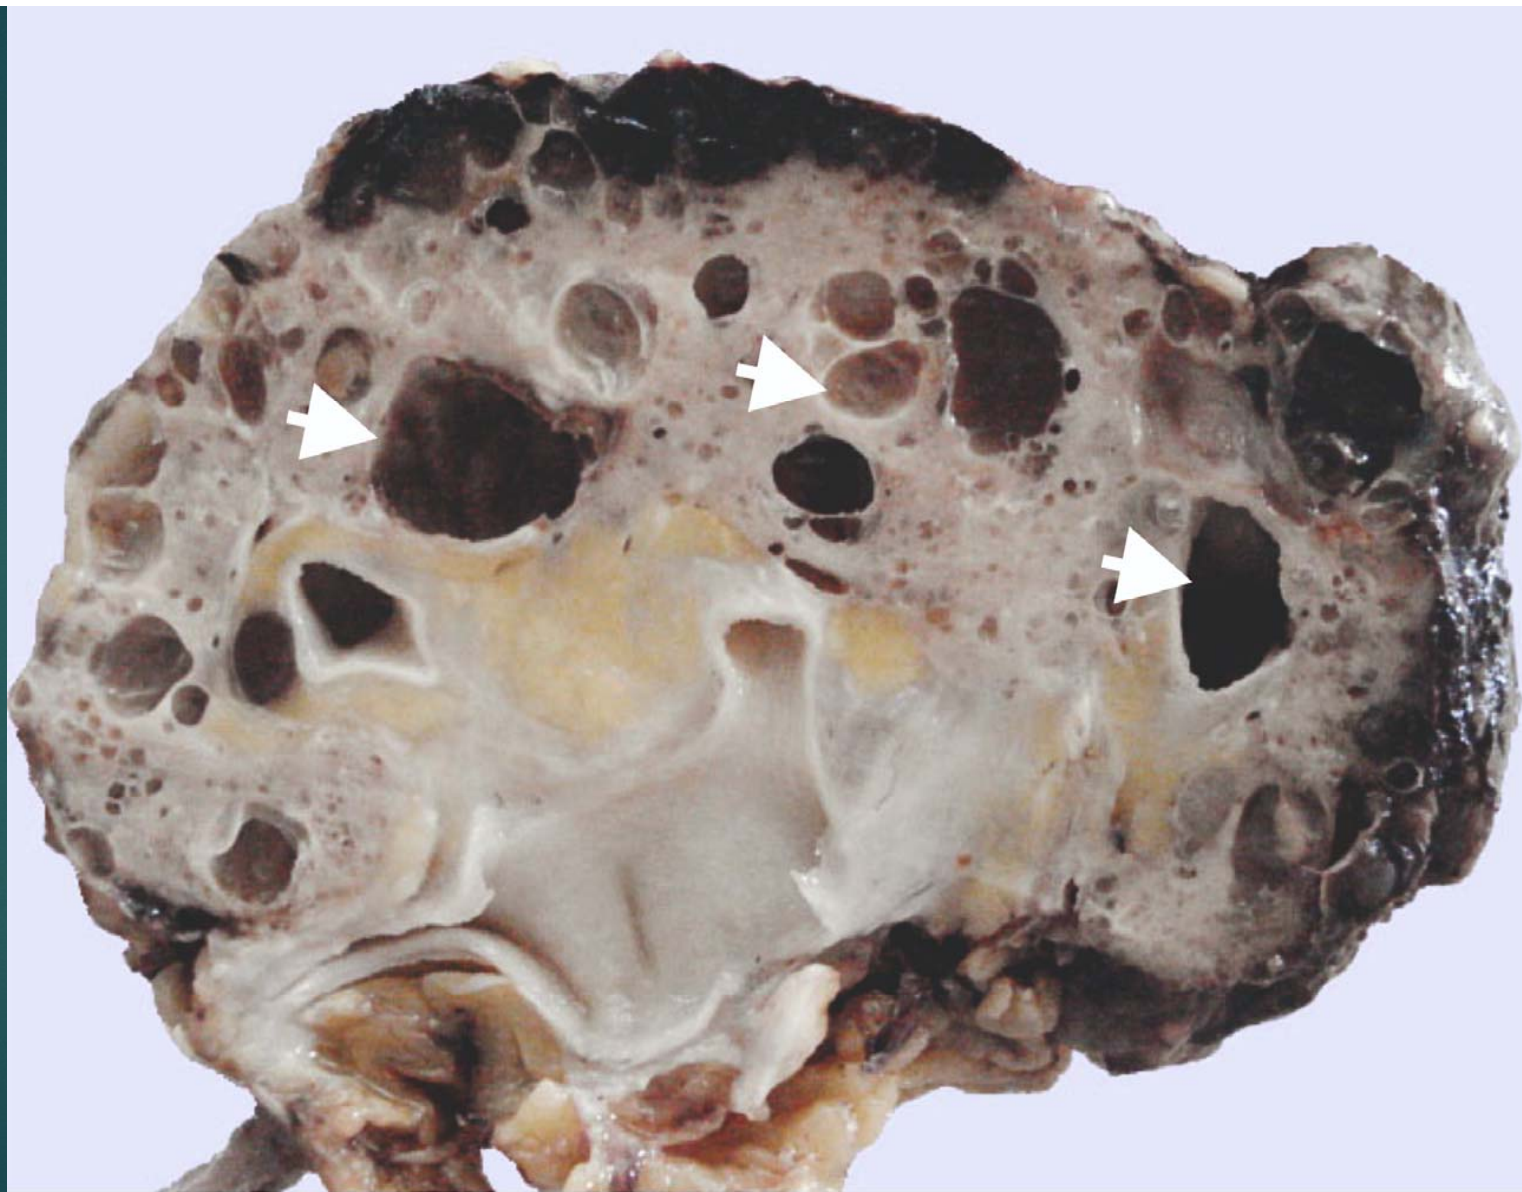

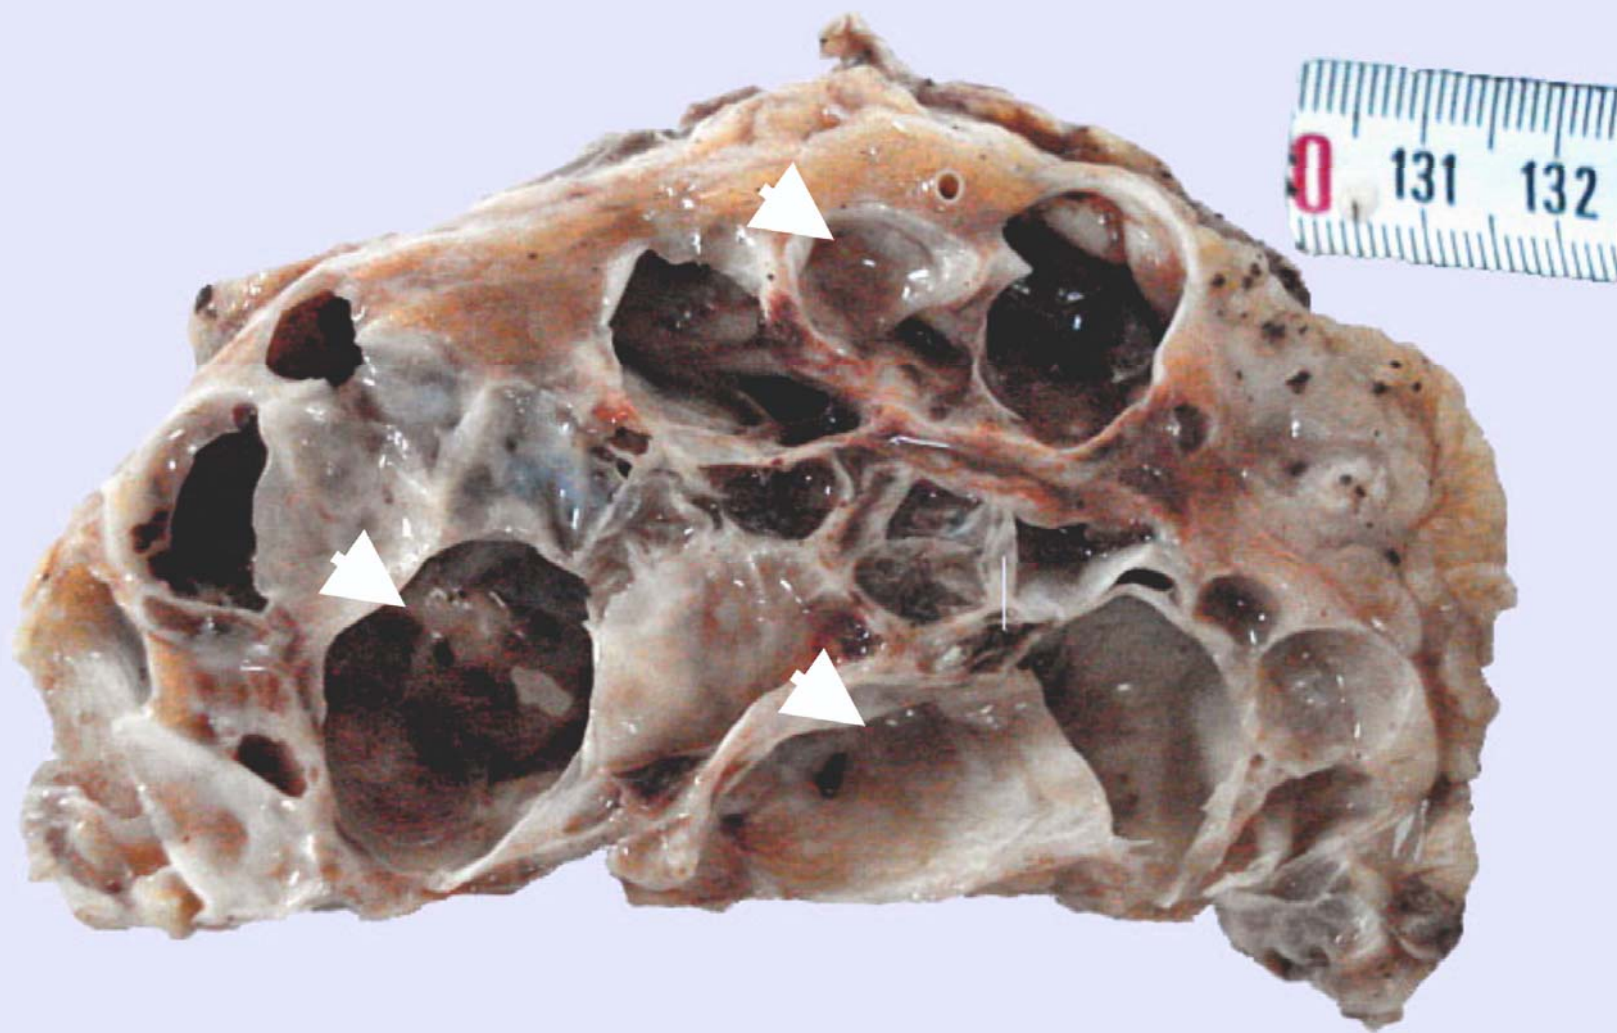

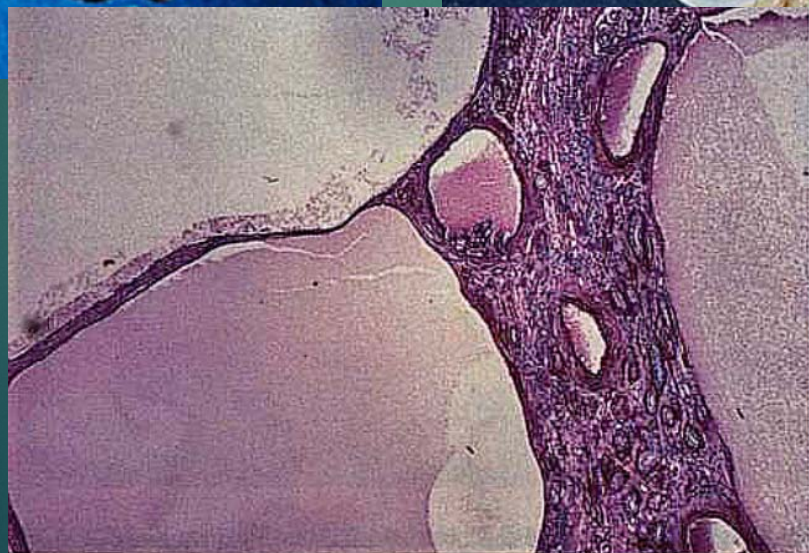

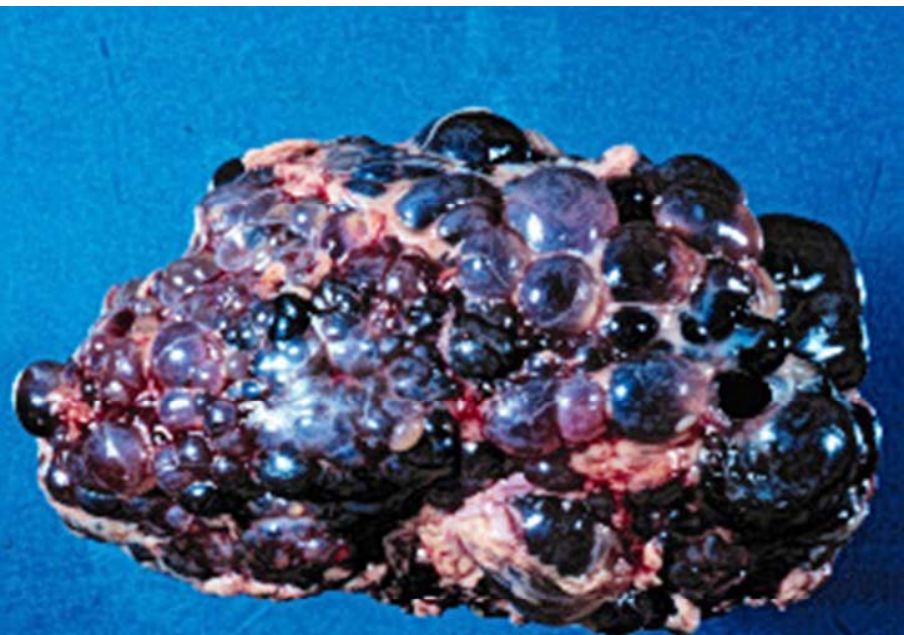

Hipoplazia renala

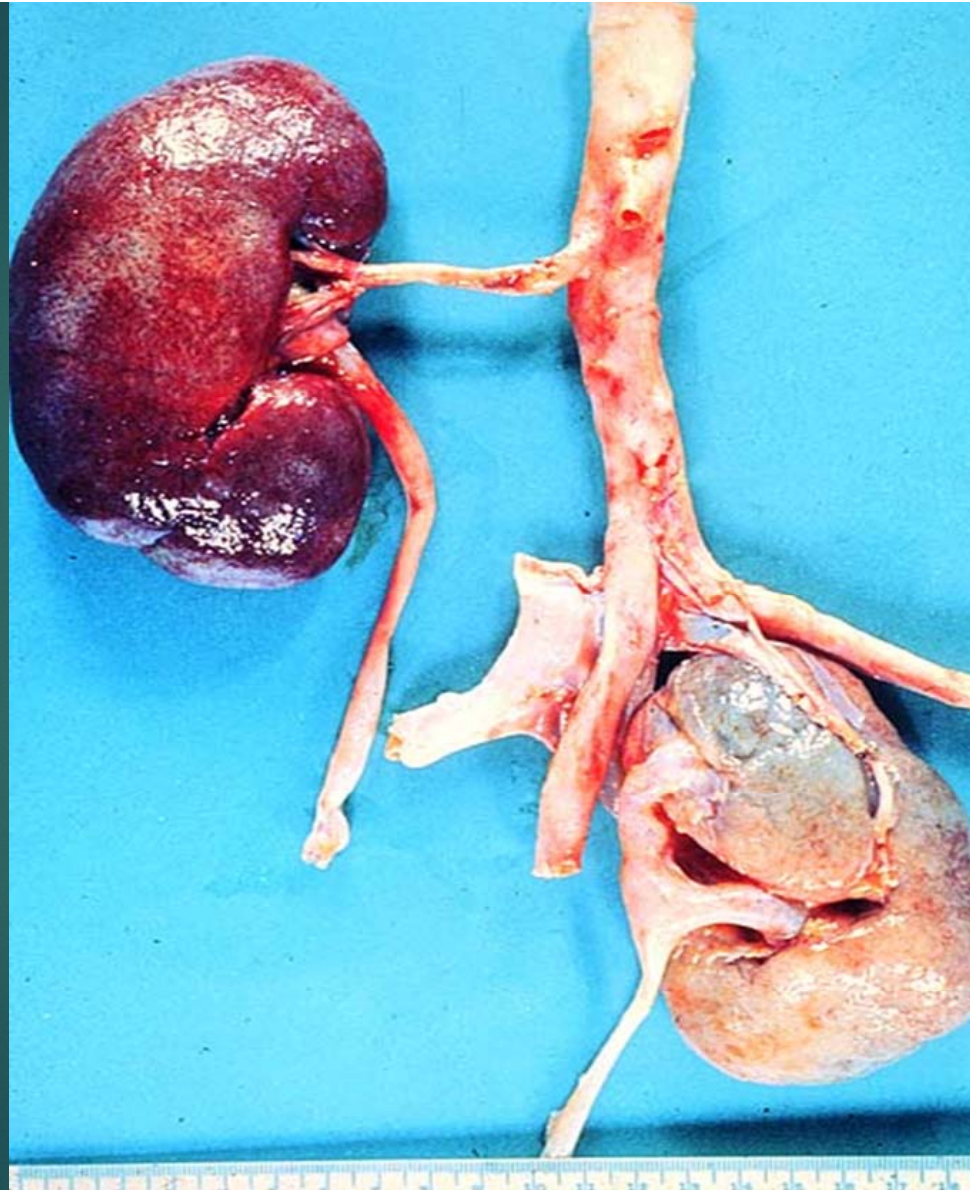

Rinichi polichistic

Malformațiile de
sediu: ectopii
renale

CLASIFICAREA BOLILOR RENALE (Monasterio):

I. Nefropatii glomerulare:

- glomerulonefritele
- glomerulonefrozele

II. Nefropatii tubulare:

- tubulonefritele

III. Nefropatii interstitiale:

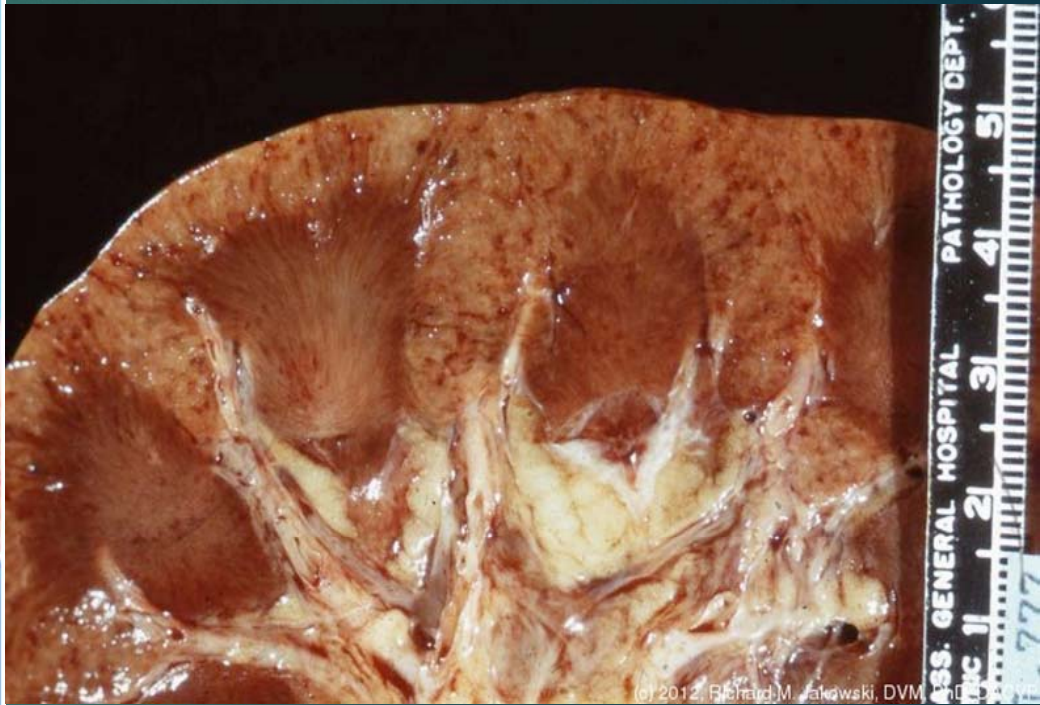

- nefrite
- pielonefrite

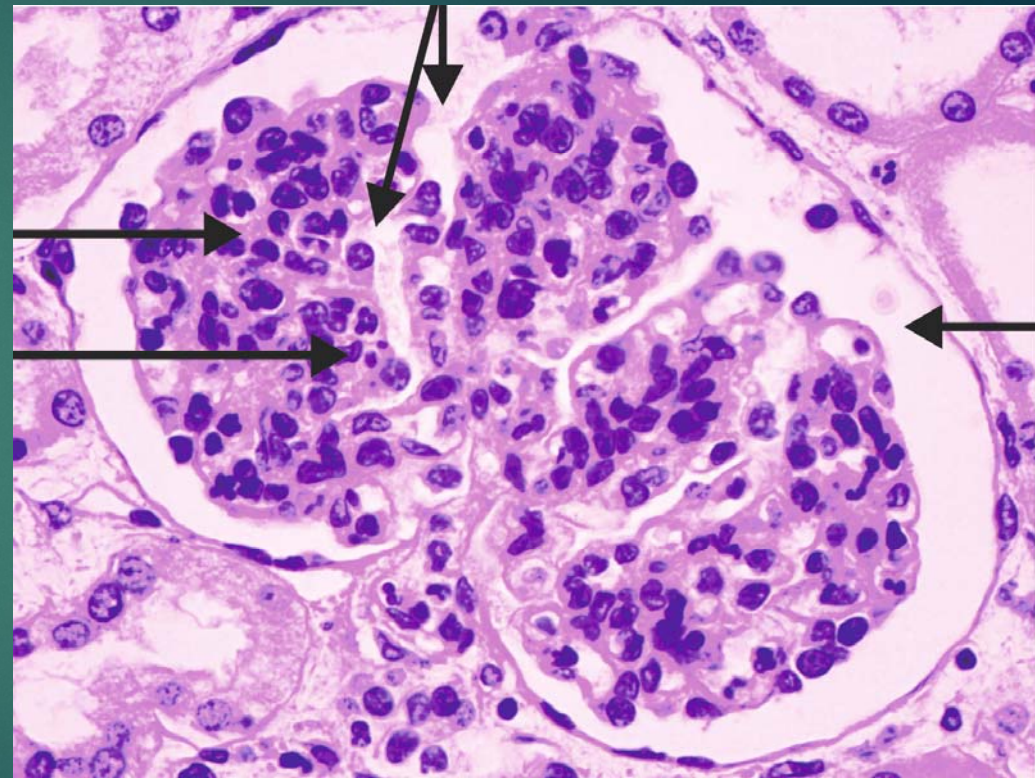

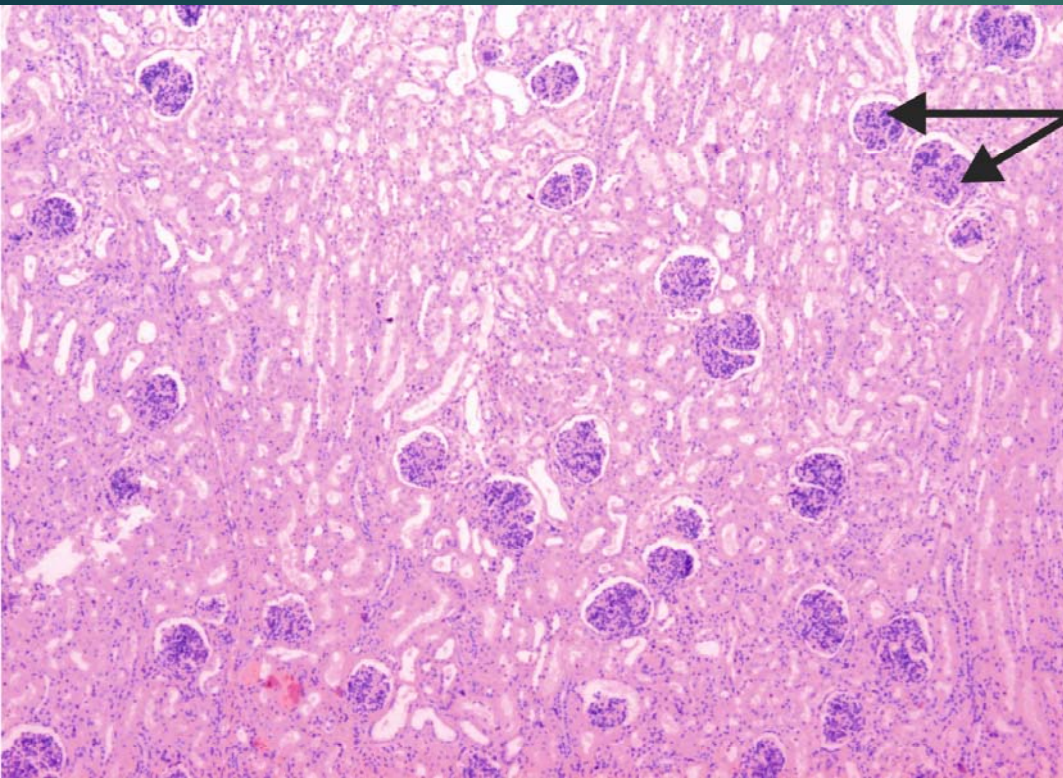

IV. Nefropatii vasculare:

- nefroangioscleroza
- infarctul
- rinichiul de staza

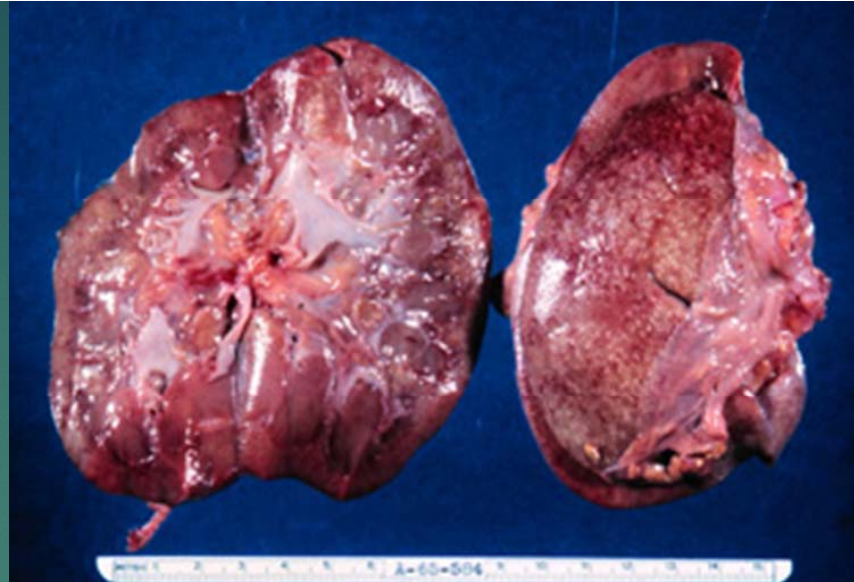

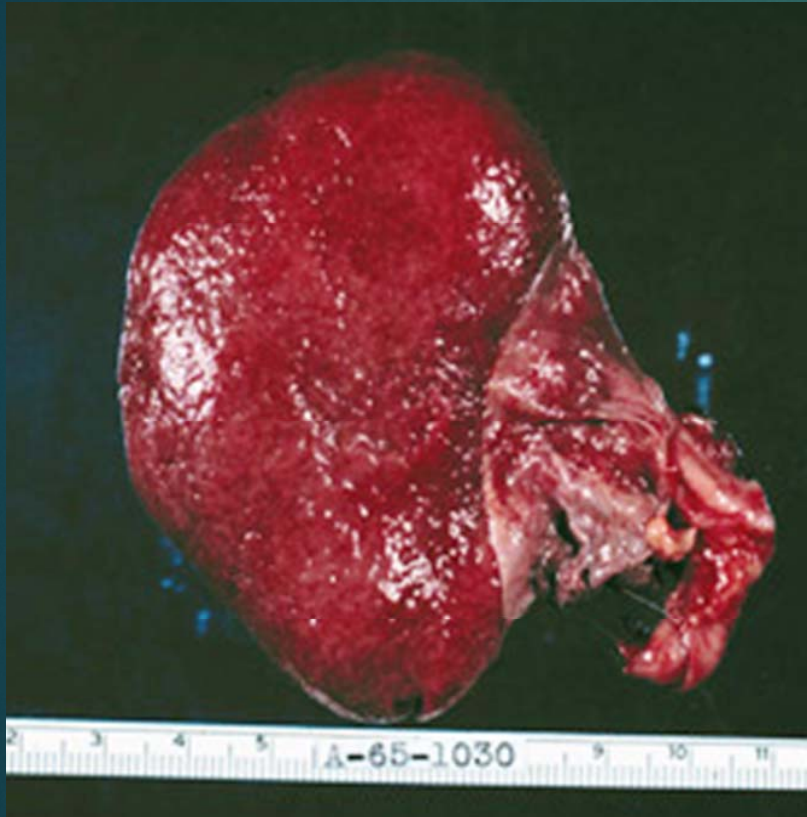

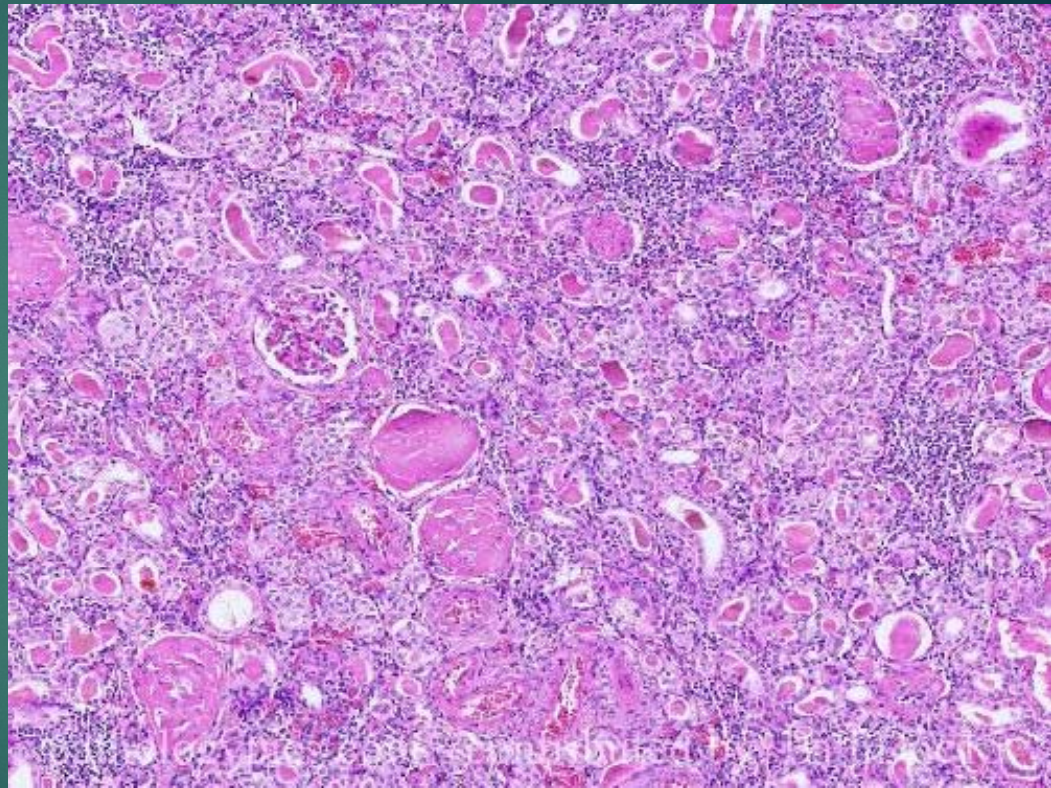

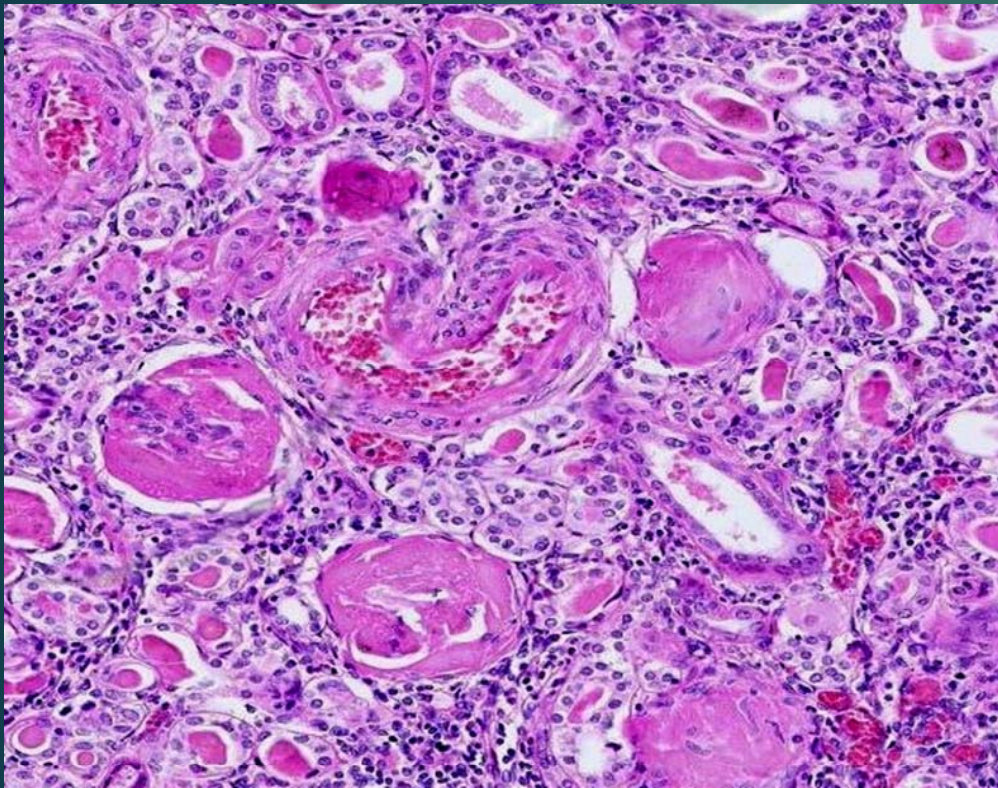

Glomerulonefrita acuta

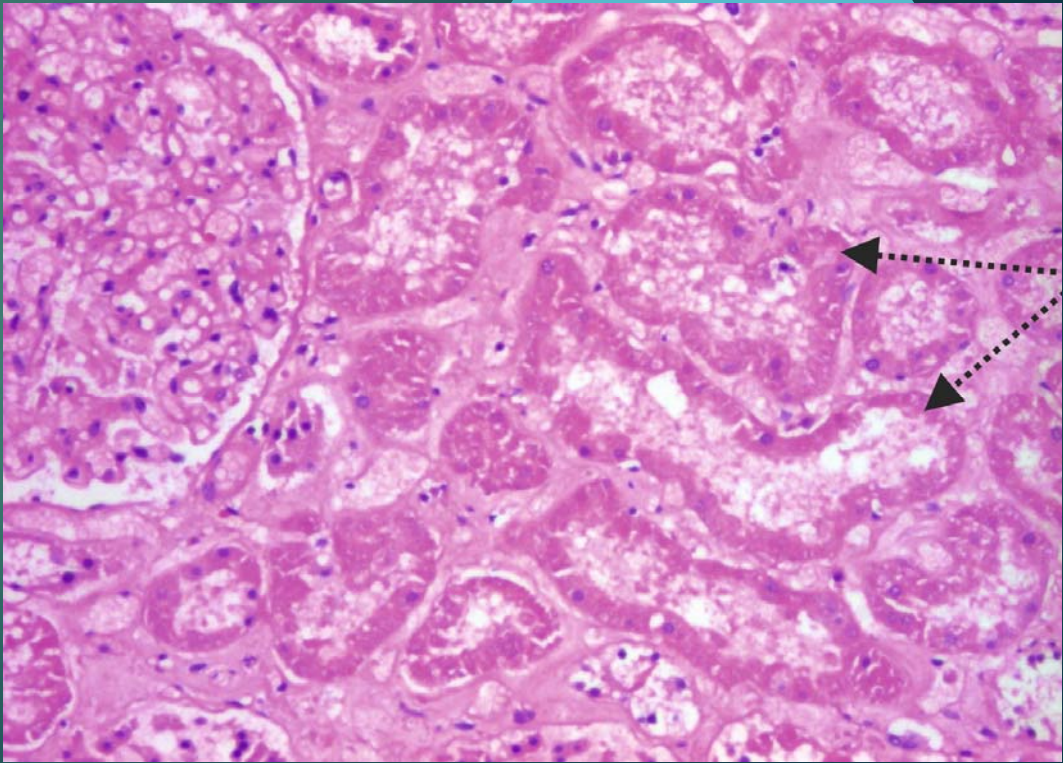

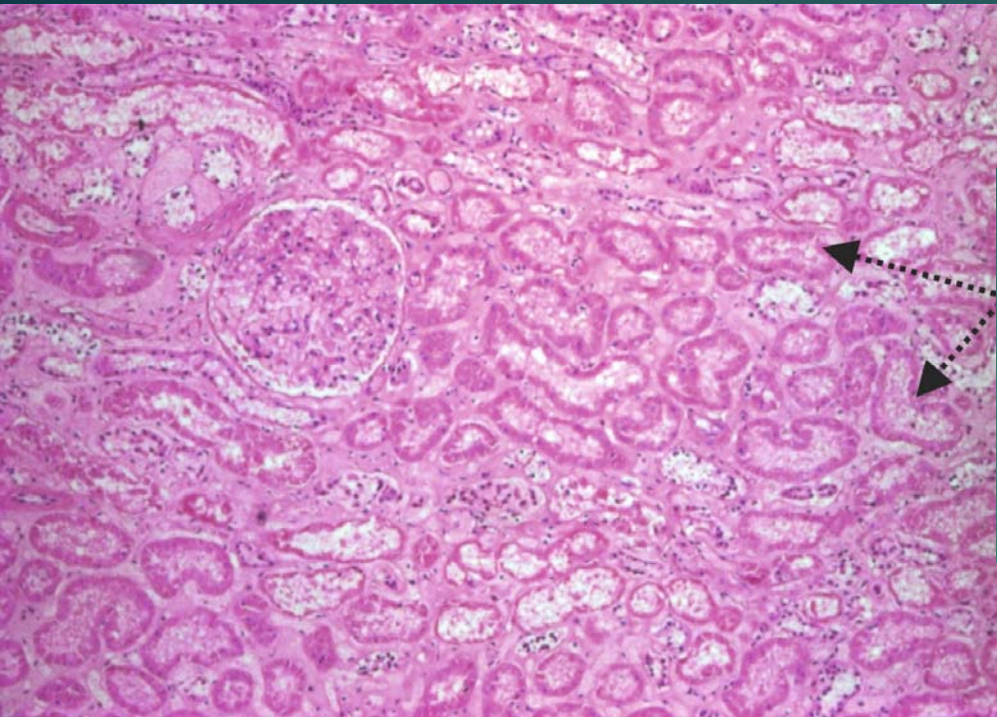

Glomerulonefrita cronica

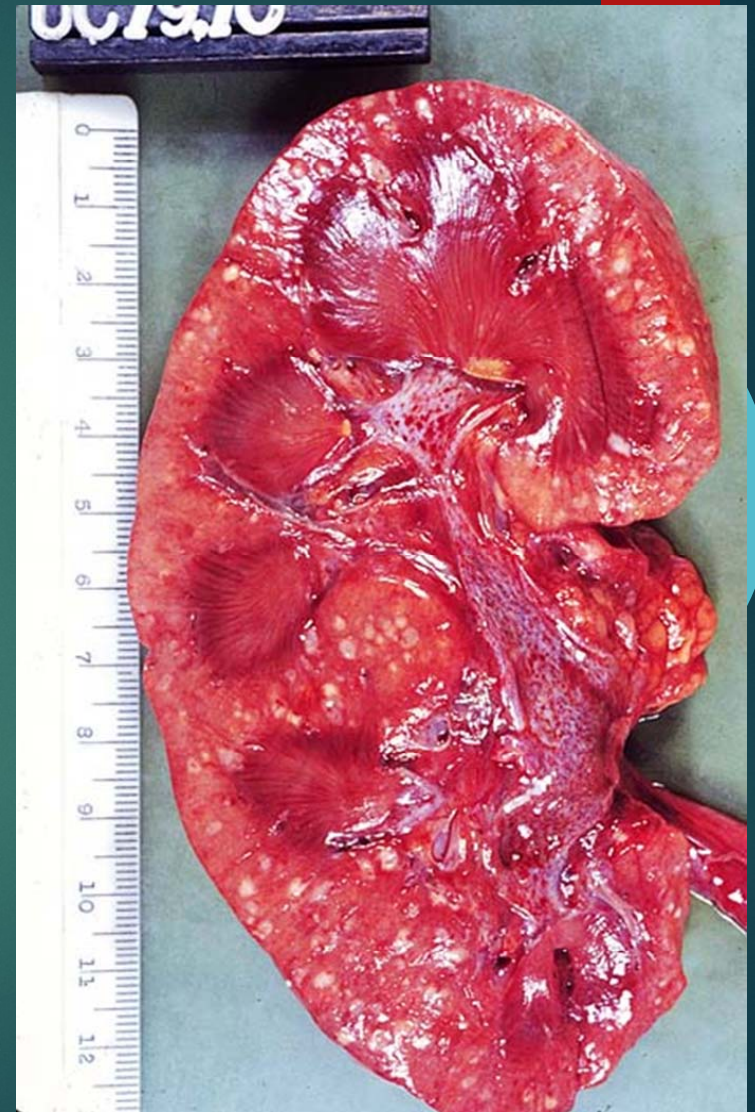

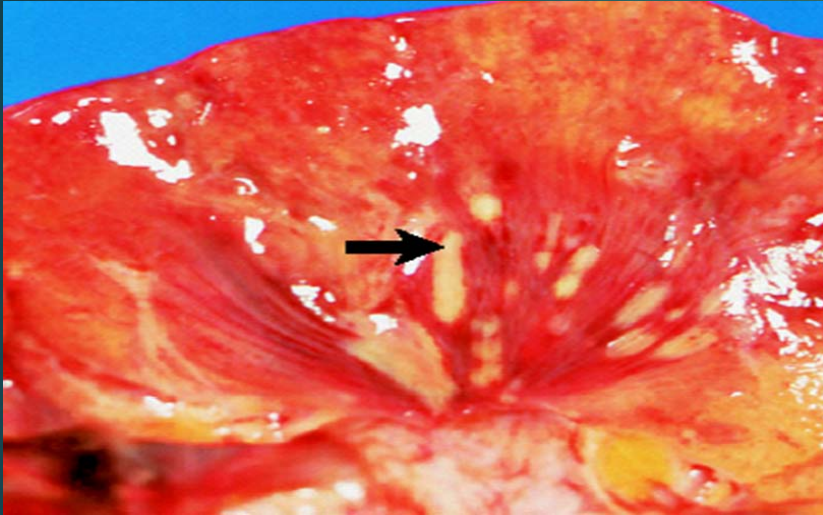

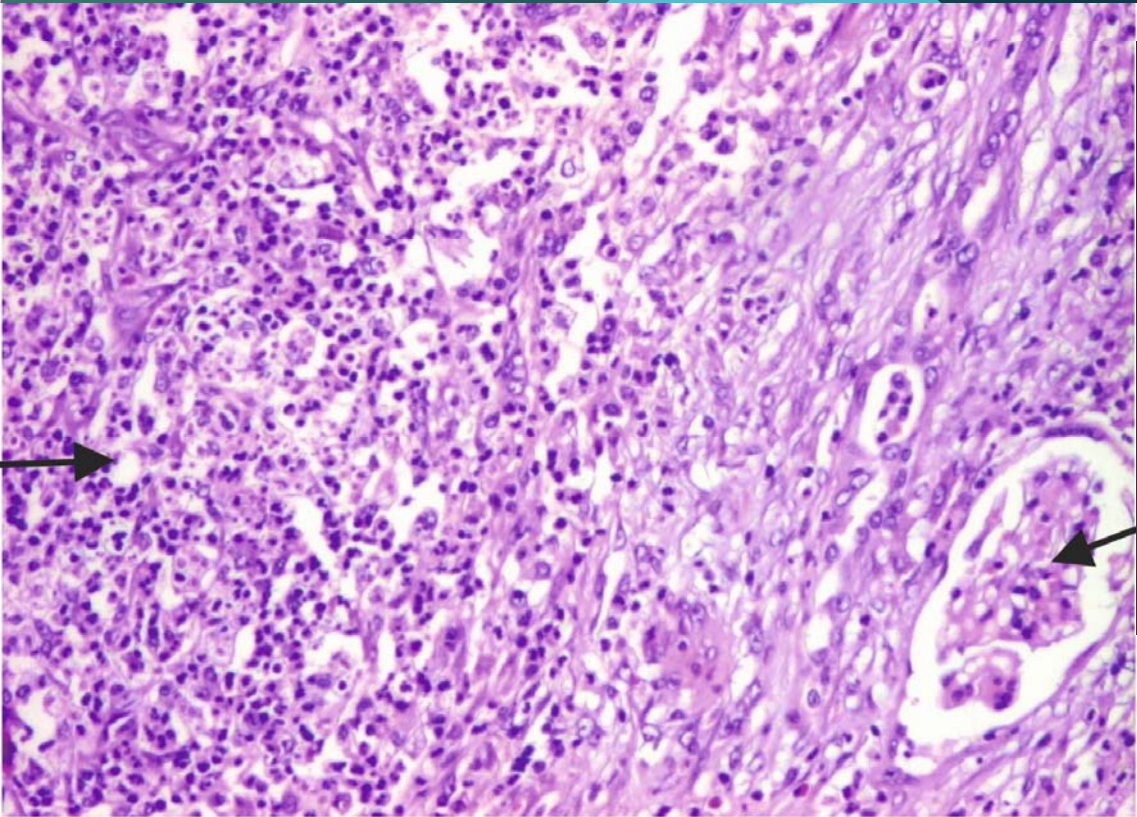

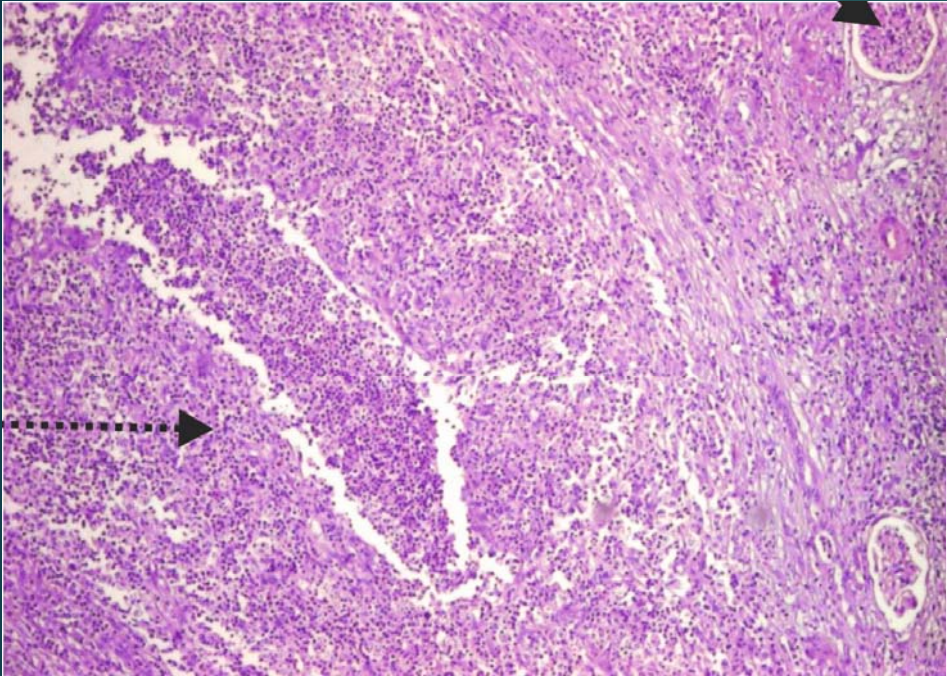

Necroza tubulara acuta

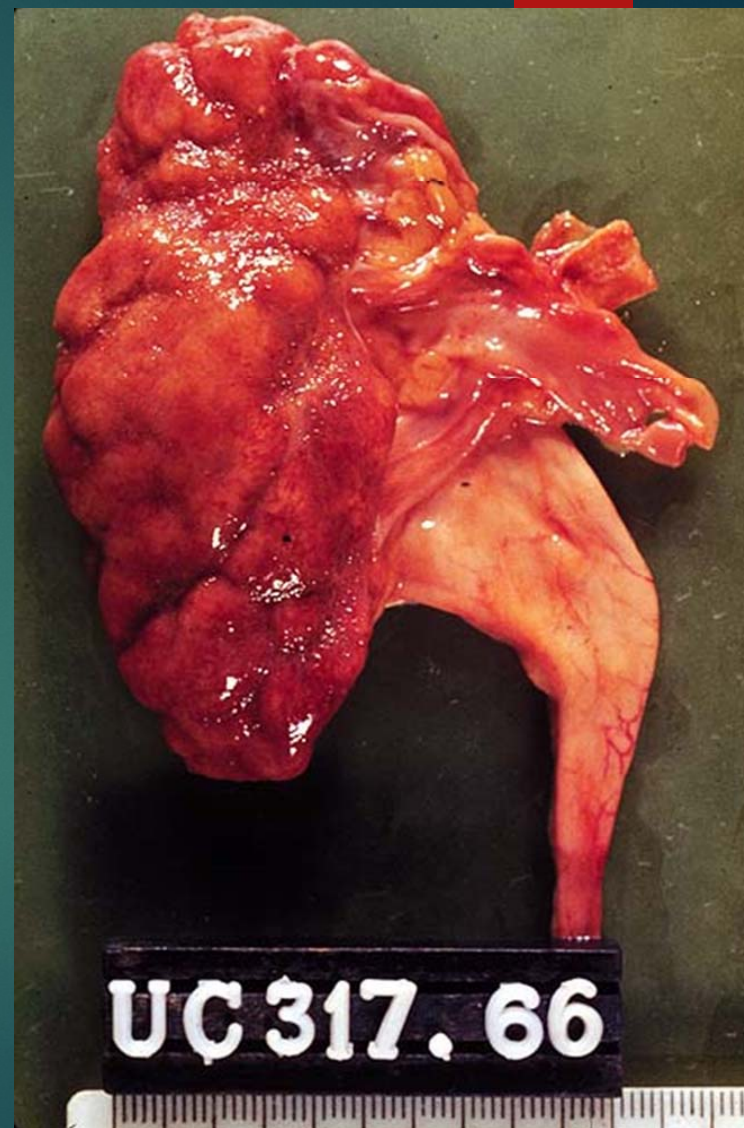

Pielonefrita acuta

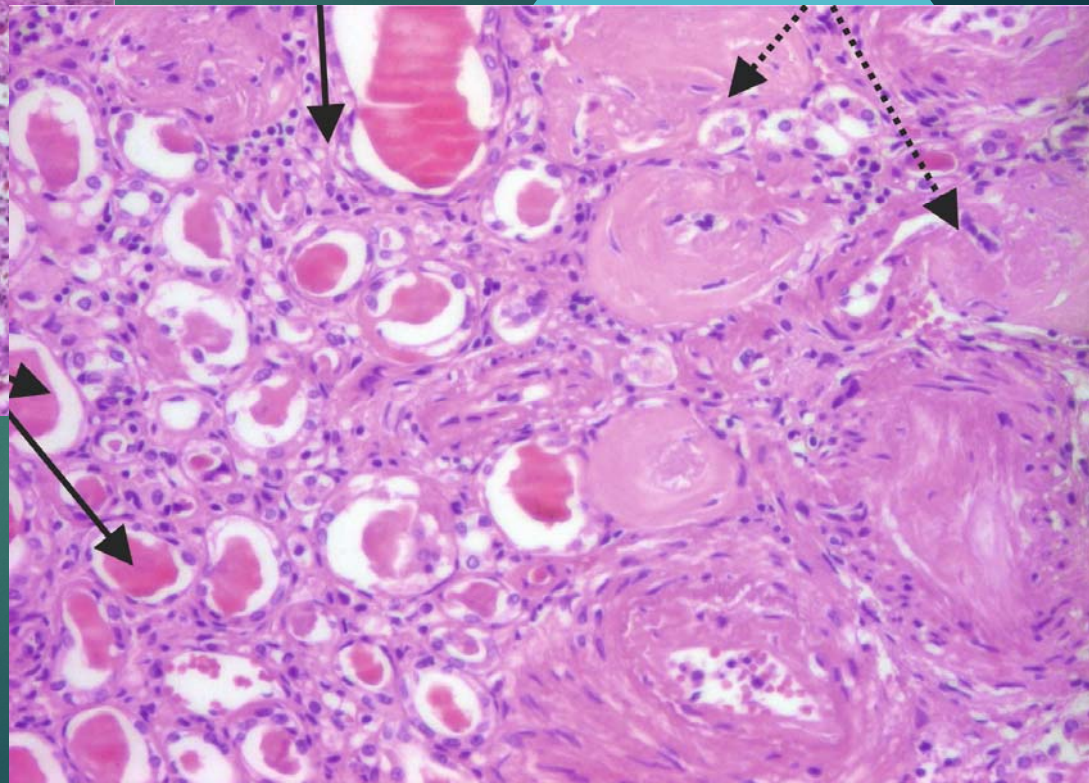

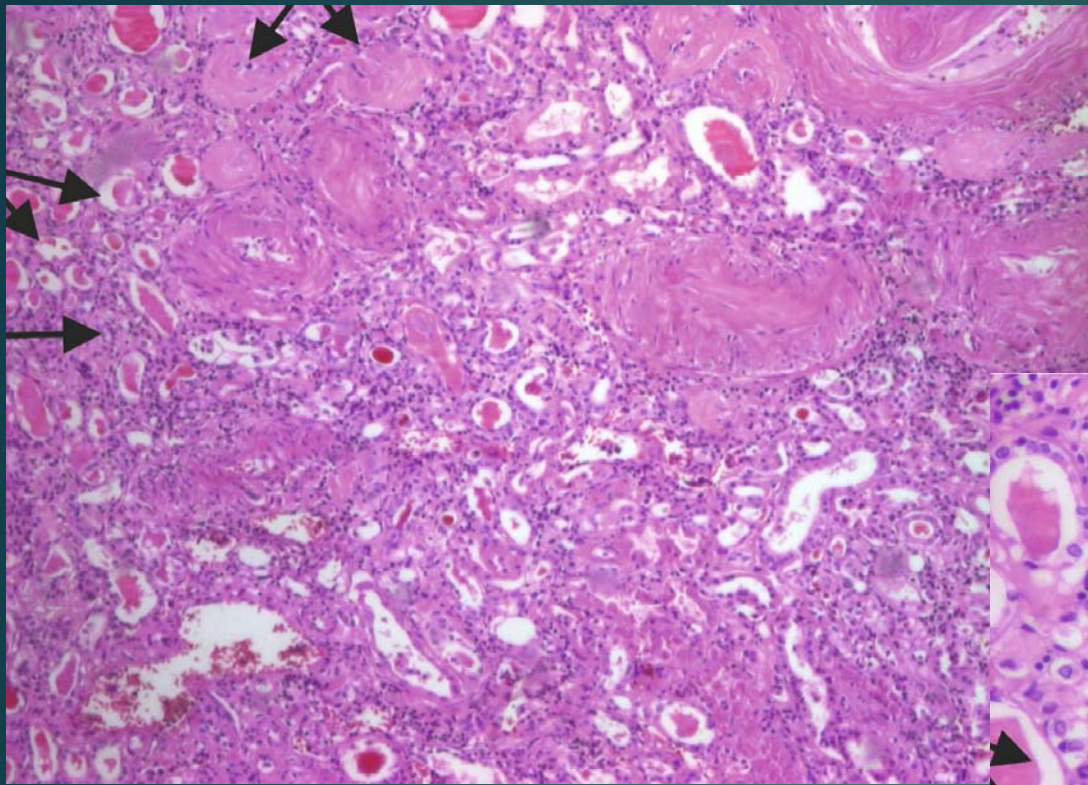

Pielonefrita crónica
non-obstruictiva

Pielonefrita cronica obstructiva

TBC renal
