

LP TUB DIGESTIV

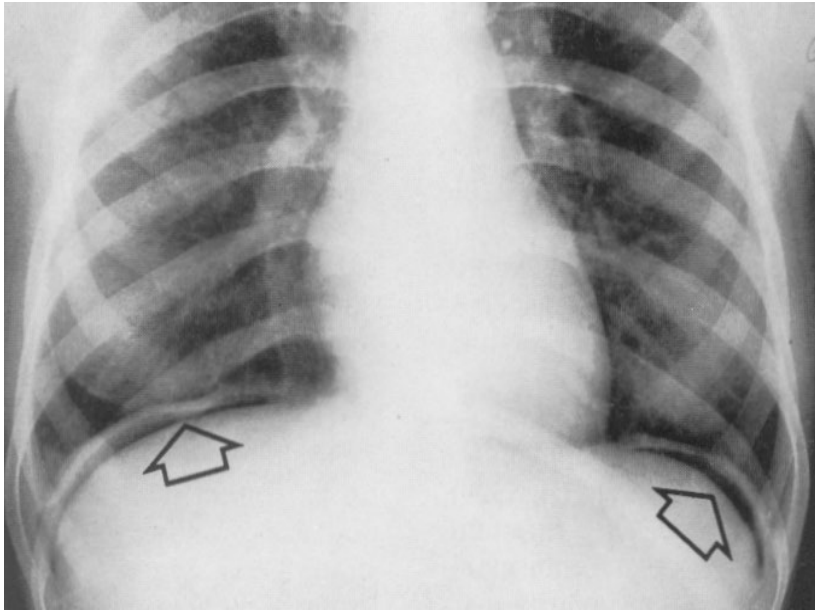

Aspect normal la tranzitul baritat

Aspect normal la irigografie

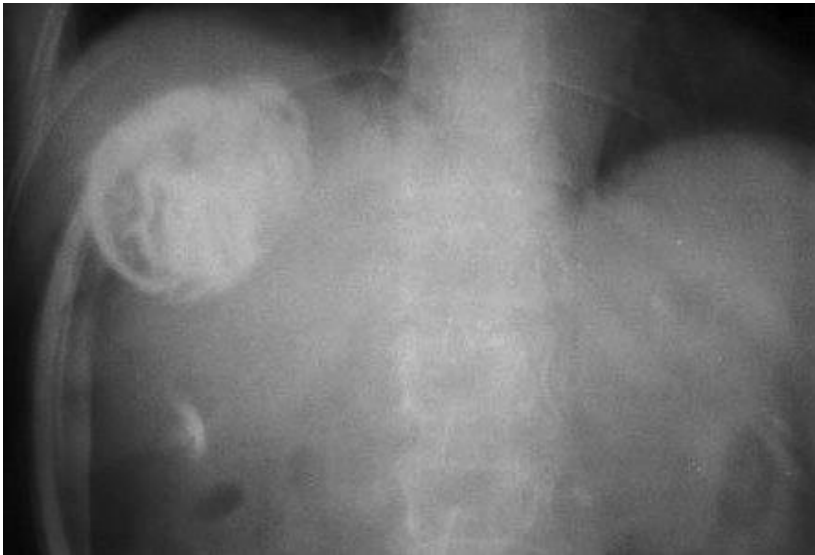

Pneumoperitoneu, aspect RX si CT

Corp strain radioopac (ac), aspect RX

Calcificari pe aria de proiectie a ficatului si a splinei, aspect RX – chisturi hidatice calcificate

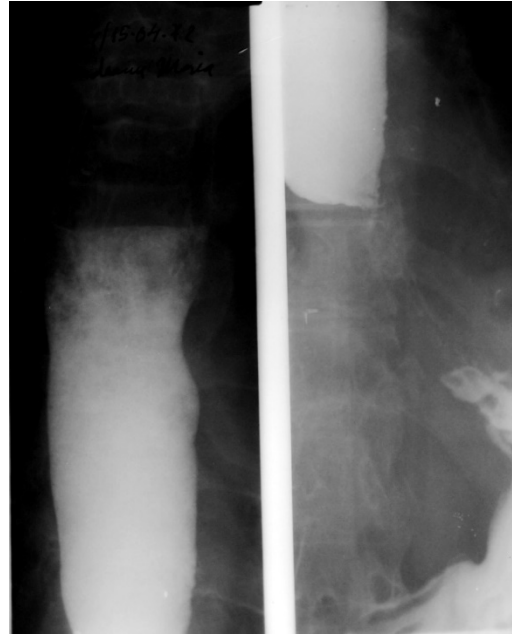

**Acalazie, aspect la tranzitul baritat, contractii tertiare in stadiul II, esofag dilatat in
soseta in stadiul III**

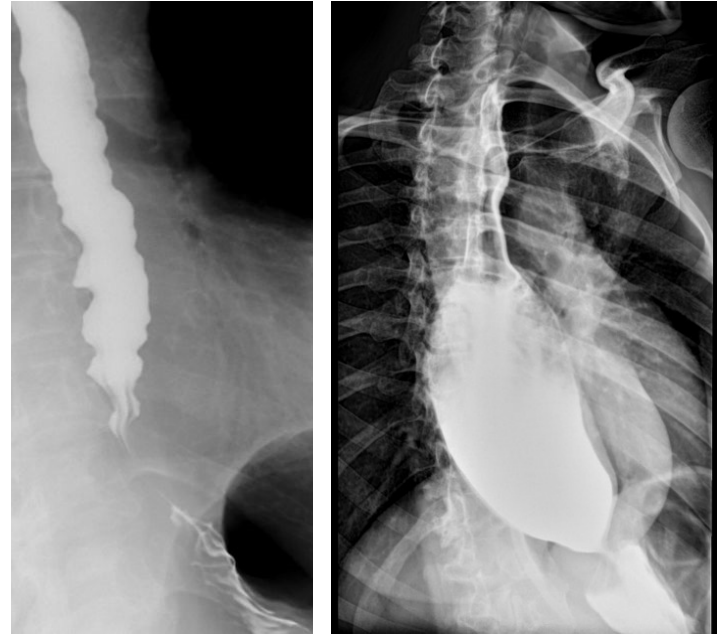

I

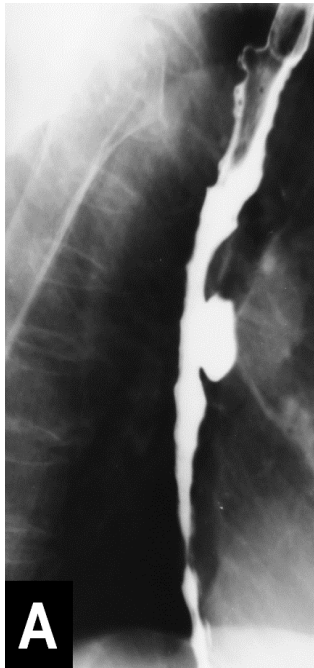

II

III

Tranzit baritat, diverticul esofagian

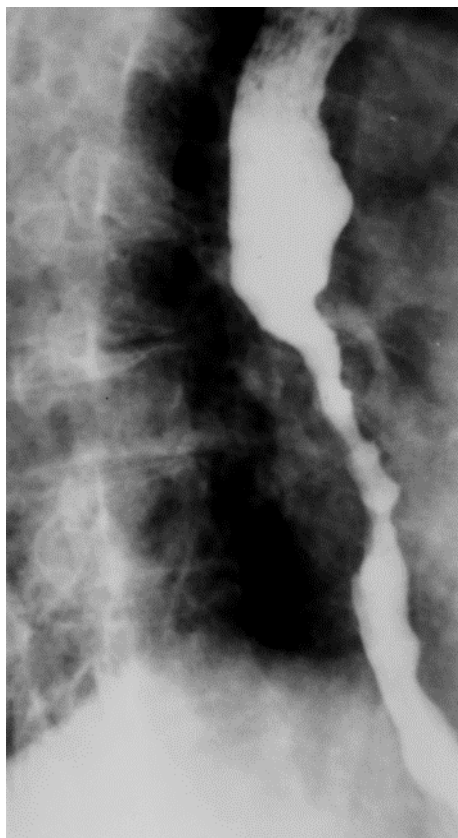

Tranzit baritat, diverticul epifrenic (dezvoltat la nivelul portiunii inferioare a esofagului)

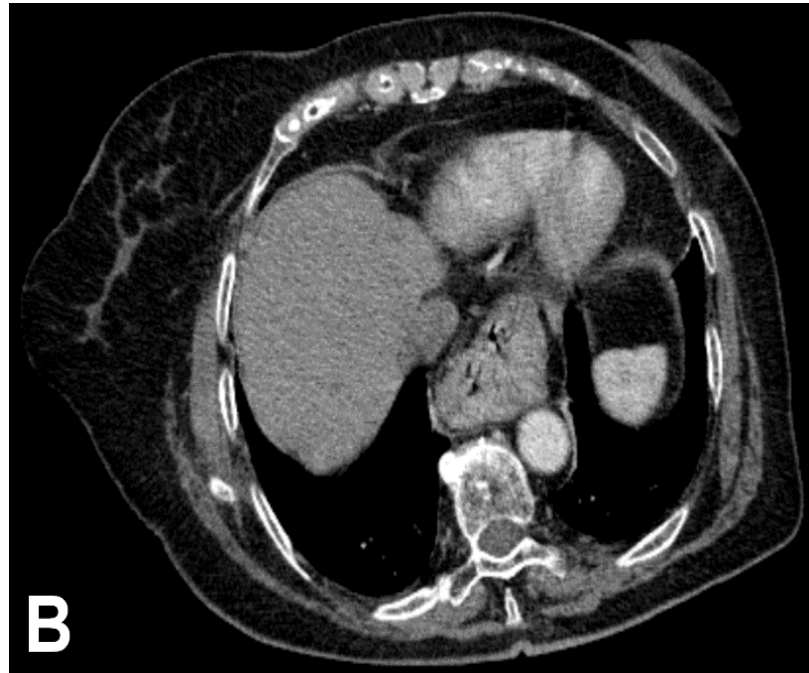

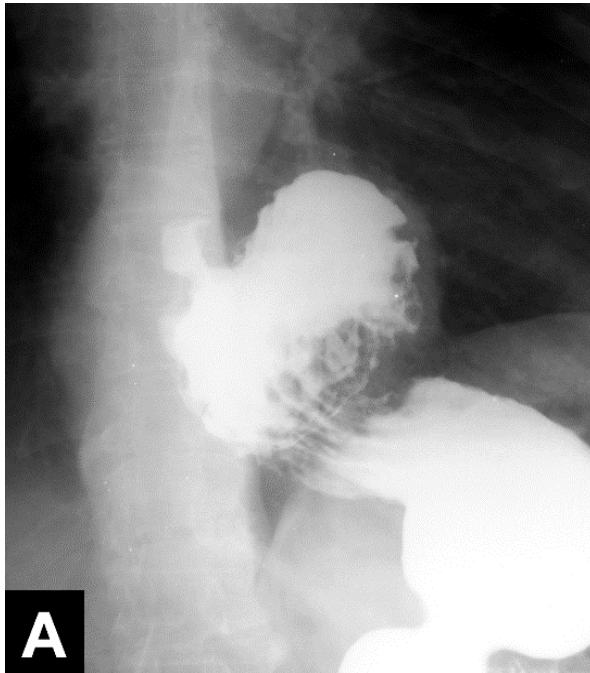

Tranzit baritat, varice esofagiene

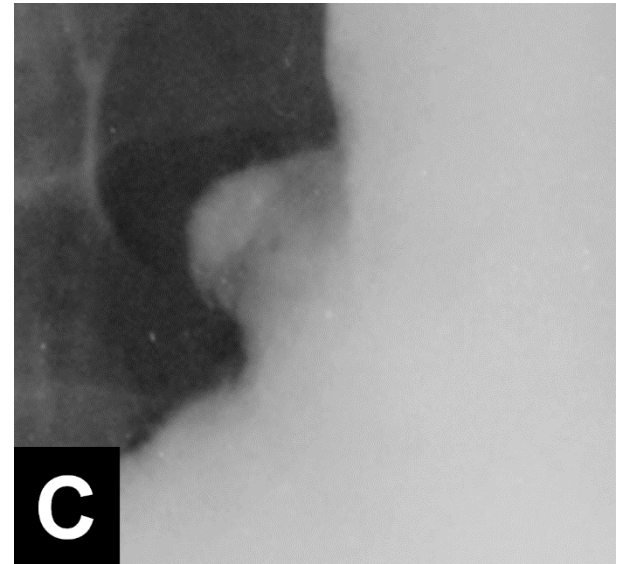

Tranzit baritat, stenoza esofagiana benigna (stanga) si maligna (dreapta)

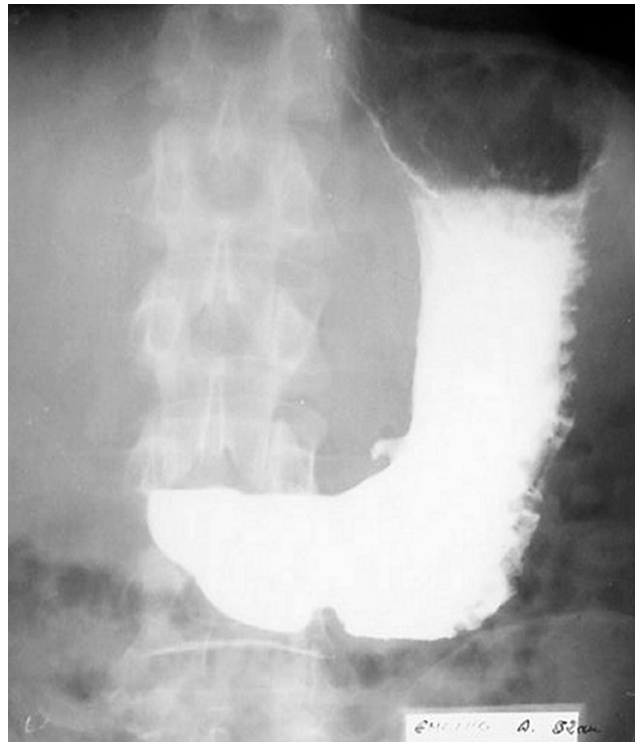

Hernie hiatala, aspect RX + CT

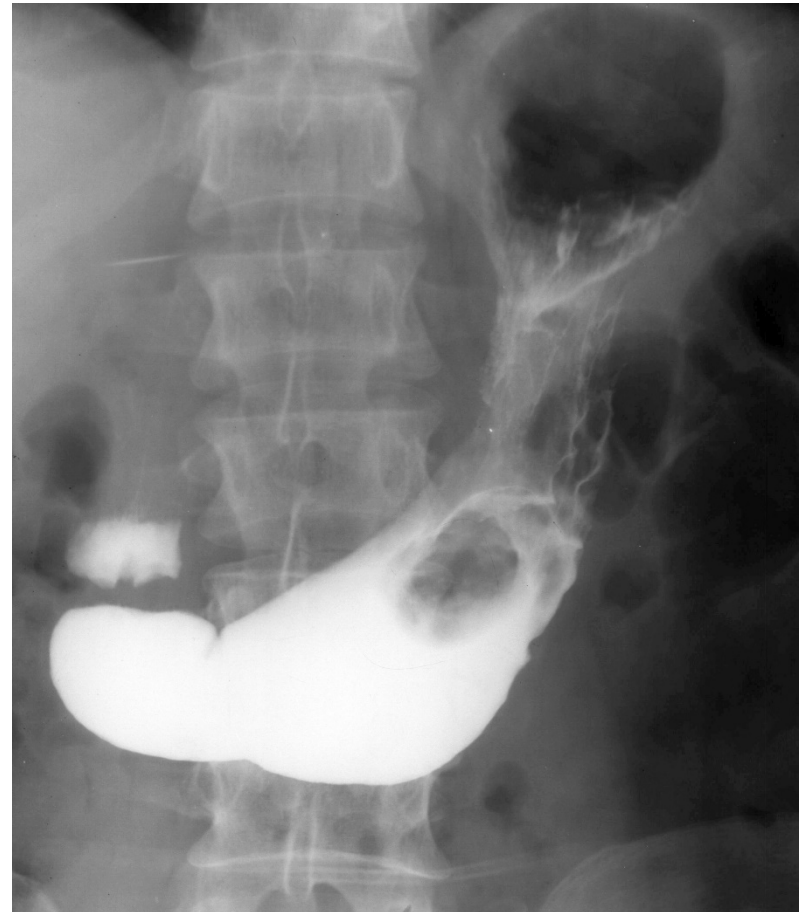

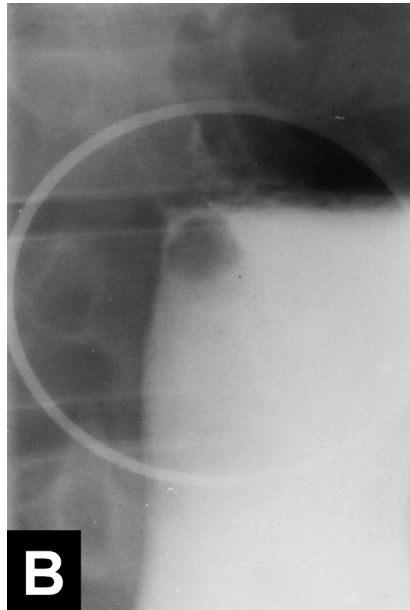

Tranzit baritat, ulcer gastric benign, nisa benigna pe mica curbura, linia Hampton (C)

Tranzit baritat, ulcer gastric benign, nisa benigna pe mica curbura

Tranzit baritat, lacuna benigna, tumora gastrica benigna (polip)

Tranzit baritat, nisa maligna pe marea curbura, tumora ulcerativa maligna

Tranzit baritat, nisa maligna pe mica curbura, tumora ulcerativa maligna

Tranzit baritat, lacuna maligna, tumora vegetanta maligna antro-pilorica

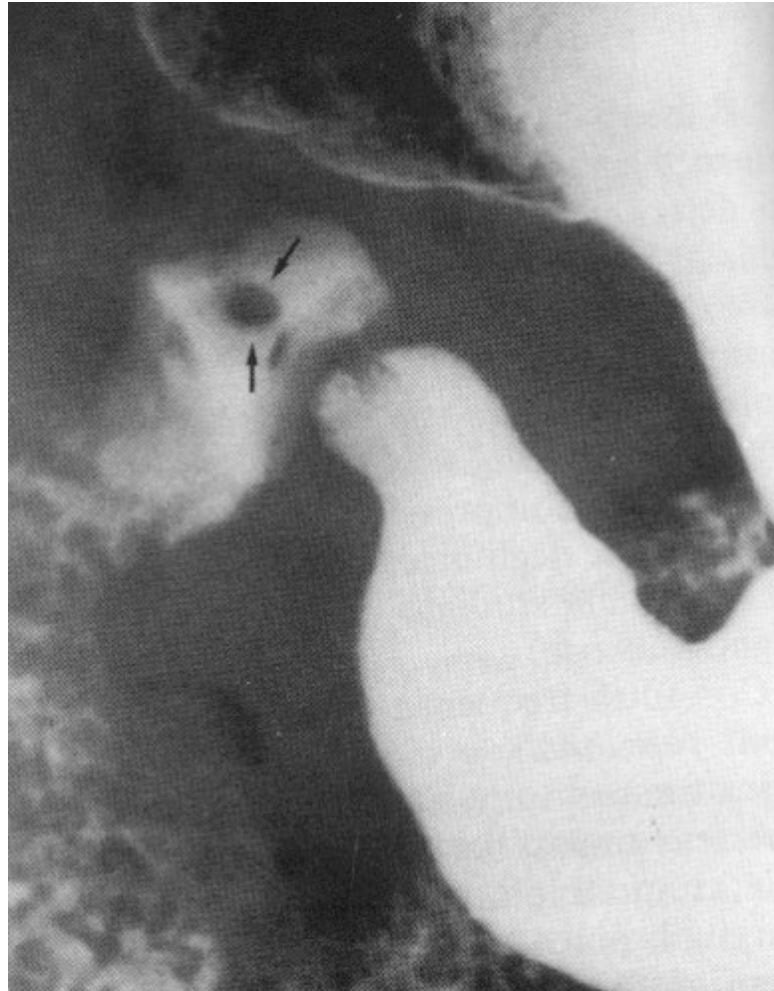

Tranzit baritat, aspect de nisa in lacuna, tumora vegetanta ulcerata

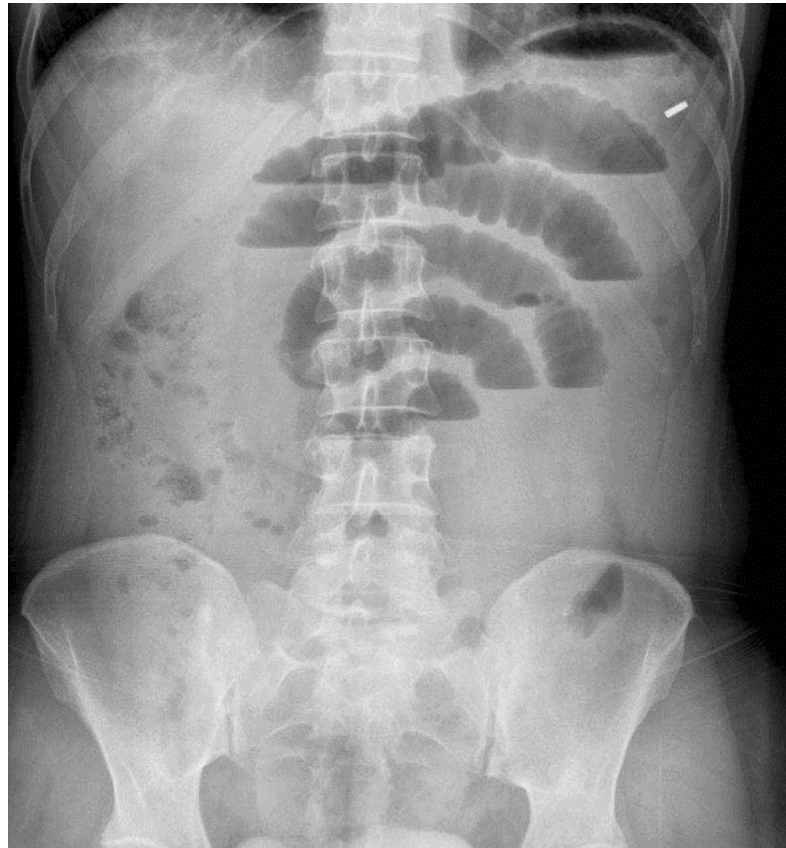

Tranzit baritat, tumora gastrica infiltrativa, rigiditate crescuta

Tranzit baritat, polip duodenal, lacuna benigna

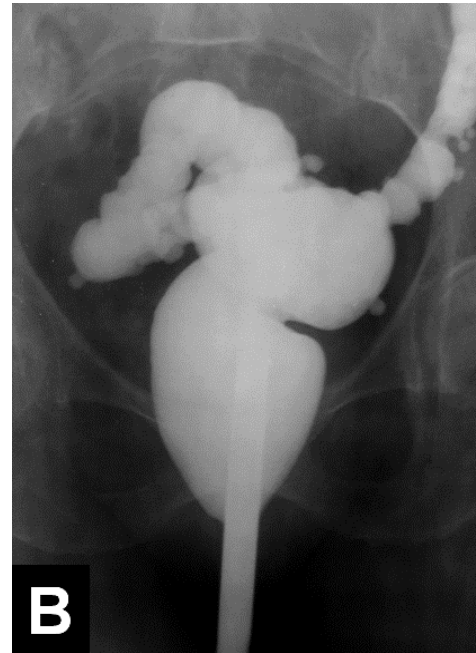

Rx abdominala simpla, nivele hidro-aerice, ocluzie intestinala

Irigografie, colita ulcerativa, stergerea haustriilor, afectare continua colo-rectala

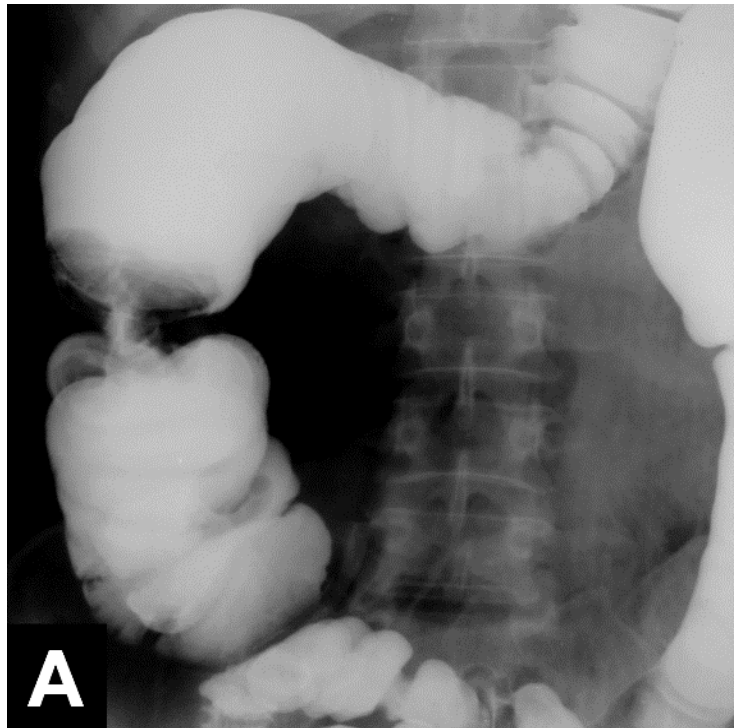

Irigrafie, diverticoli colo-rectali

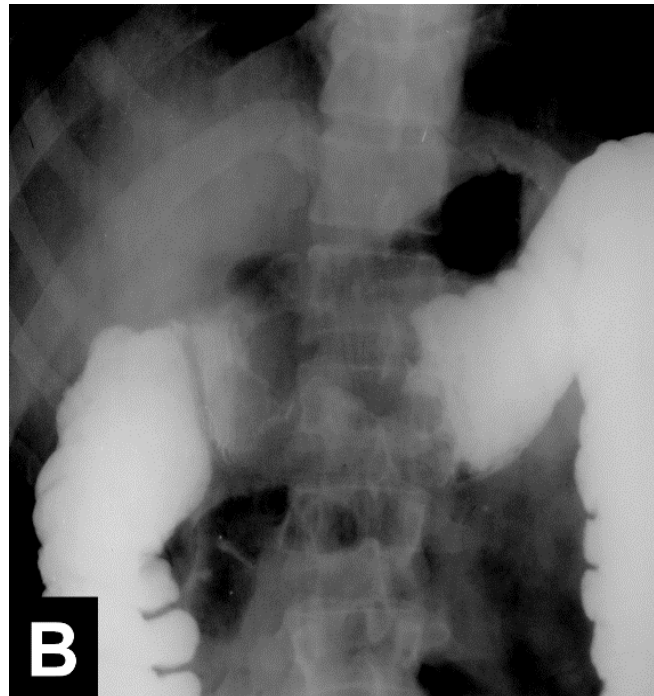

Irigrafie, polipi colo-rectali

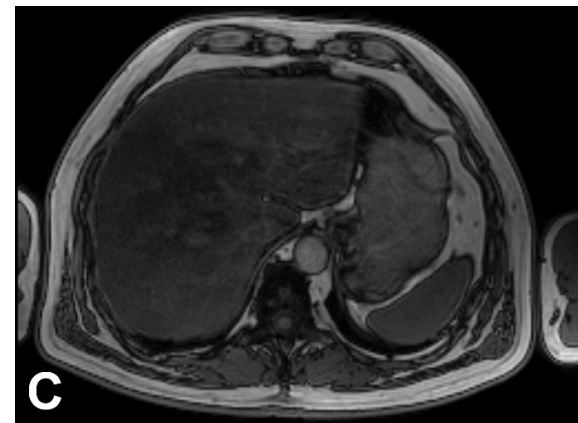

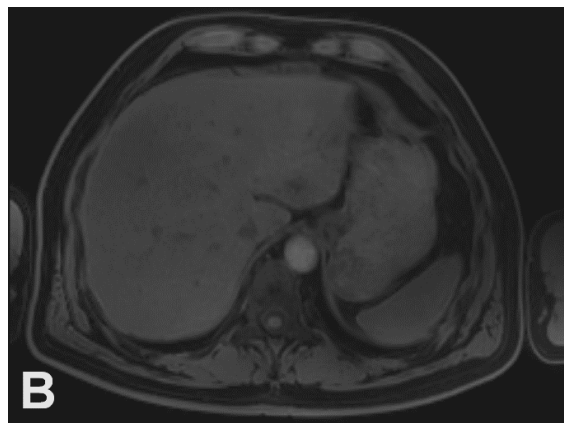

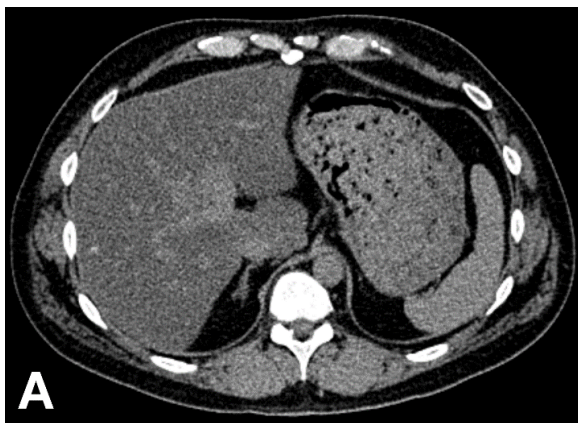

Irigrafie, tumora maligna stenozanta colon ascendent, aspect de cotor de mar

Irigrafie, cancer colon transvers

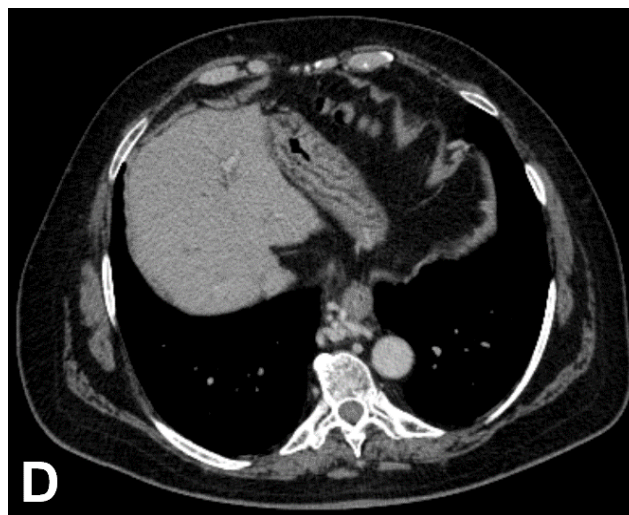

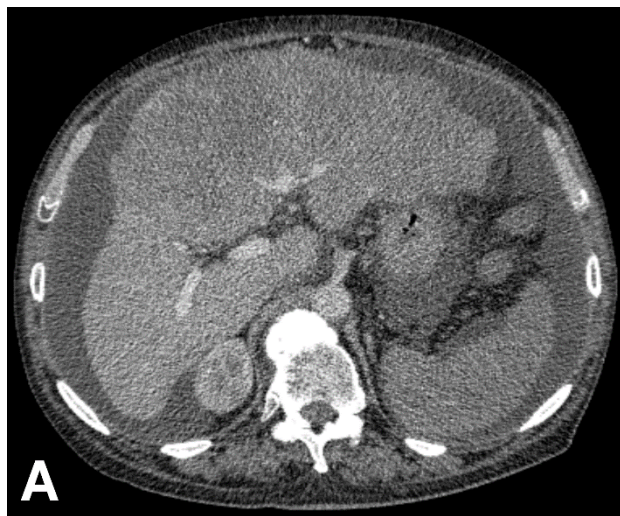

Steatoza hepatica difuza, aspect CT (A) si RM T1 IP (B) si T1 OP (C)

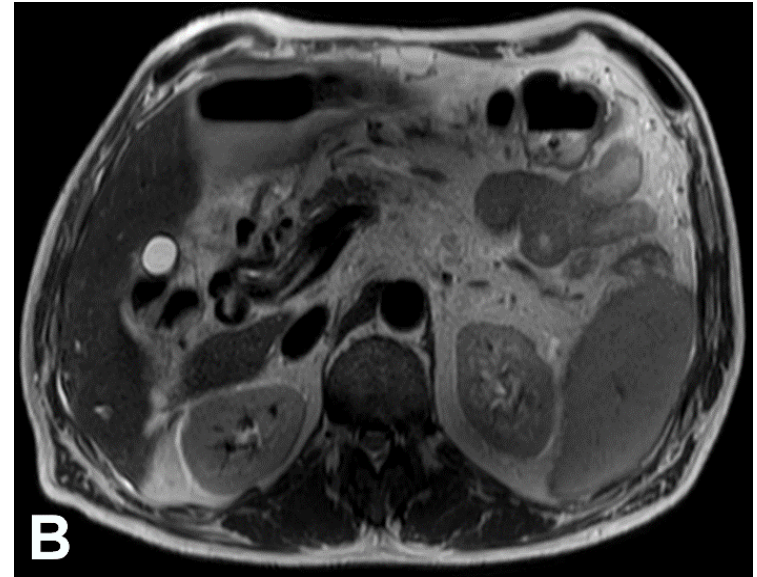

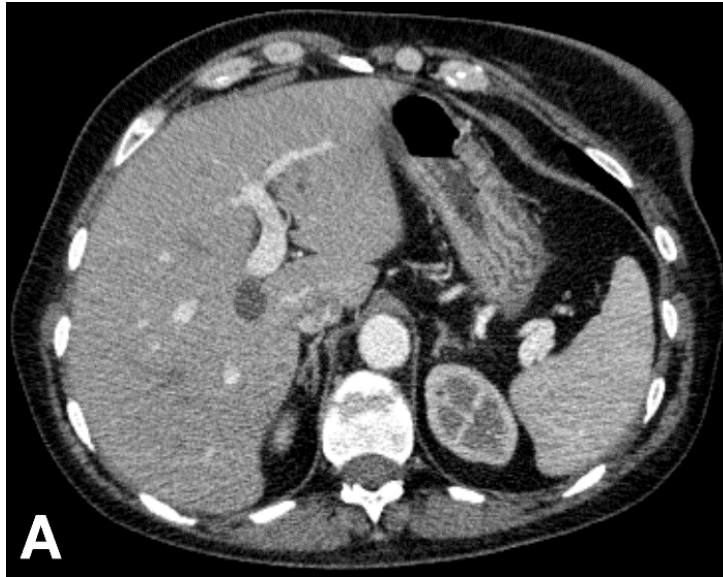

Hemocromatoza, aspect CT

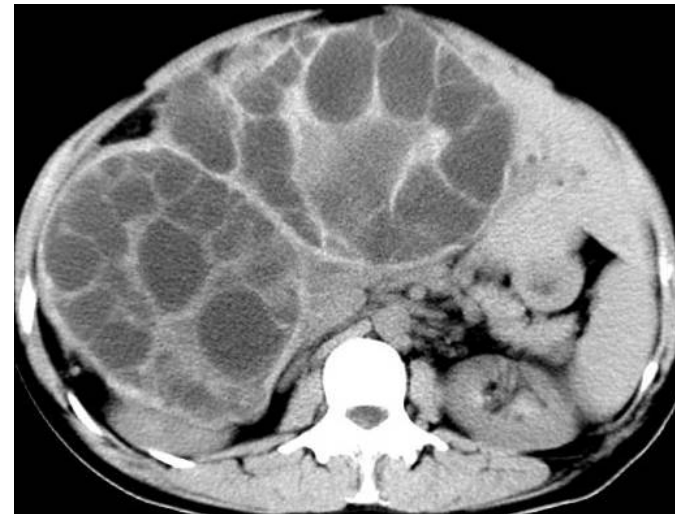

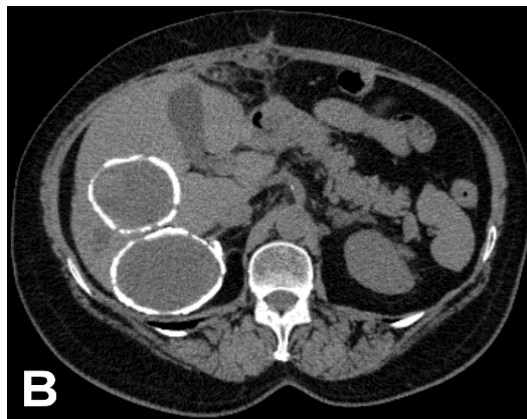

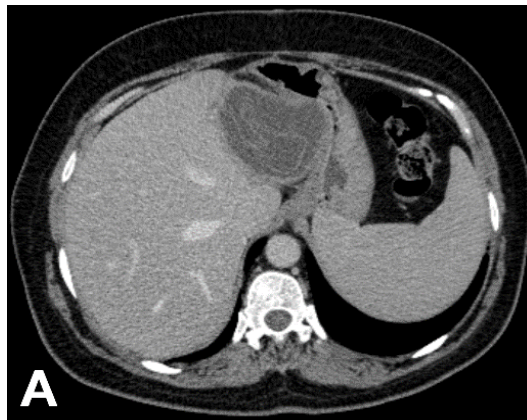

Ciroza hepatica, aspect CT: A. ascita in cantitate mare, B. splenomegalie, C. circulatie colaterala abdominala, D. varice periesofagiene

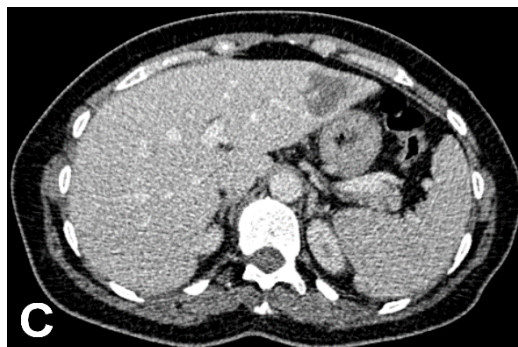

Chist hepatic simplu: A. aspect CT postcontrast, B. aspect RM secventa T2.

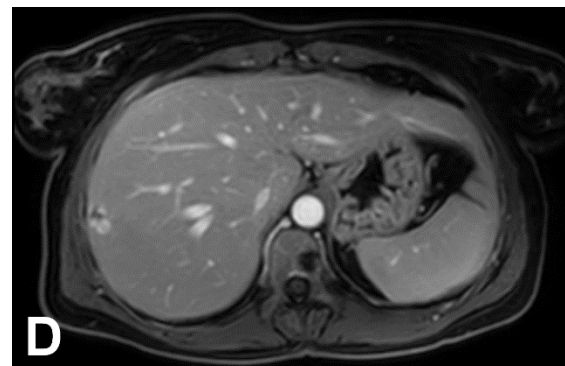

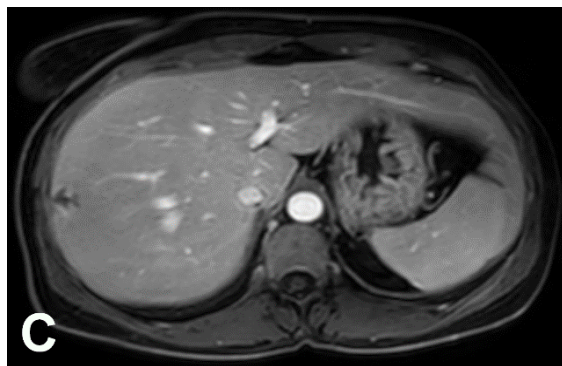

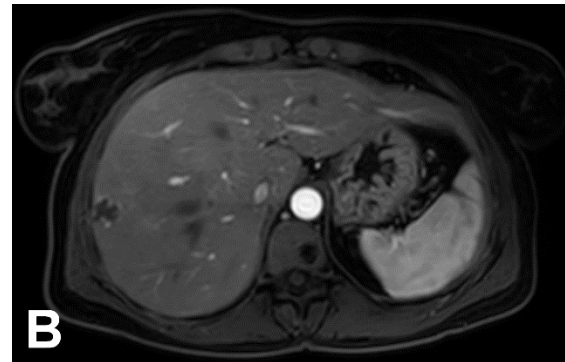

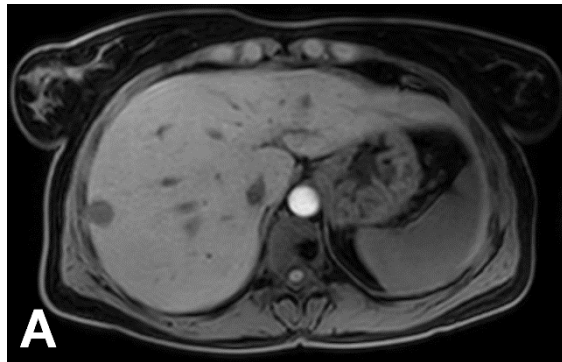

Chist hidatic hepatic, aspect CT

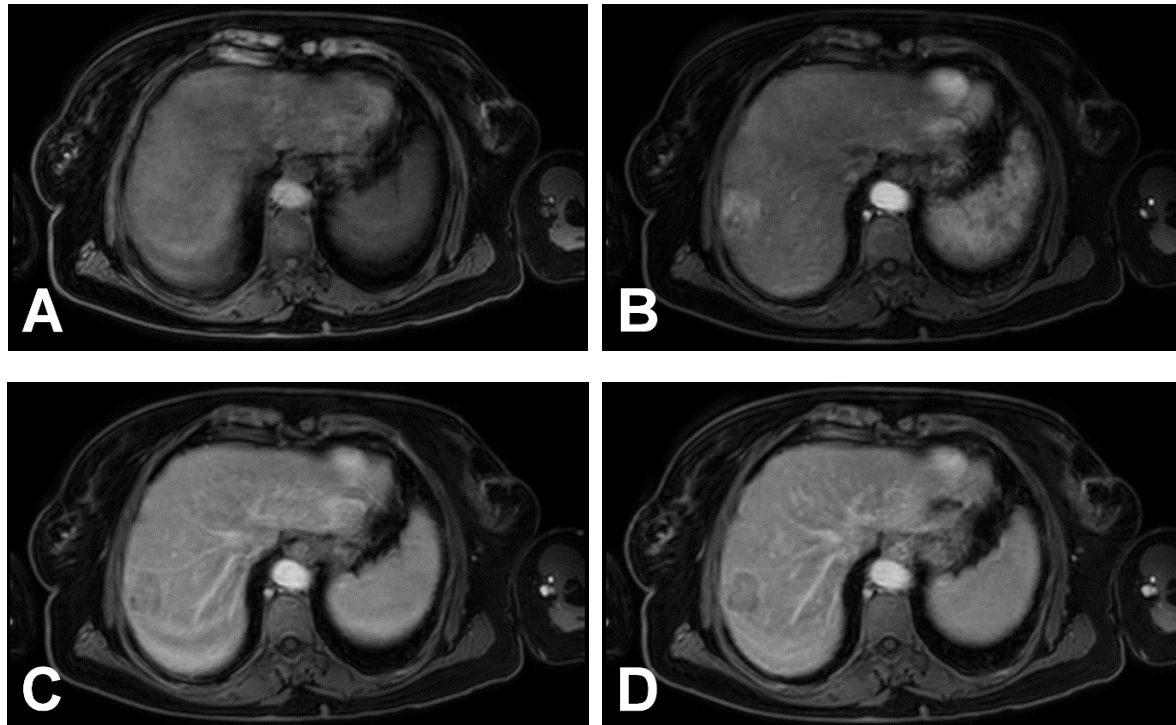

Hemangioma hepatic, aspect CT (nativ, arterial, venos, tardiv)

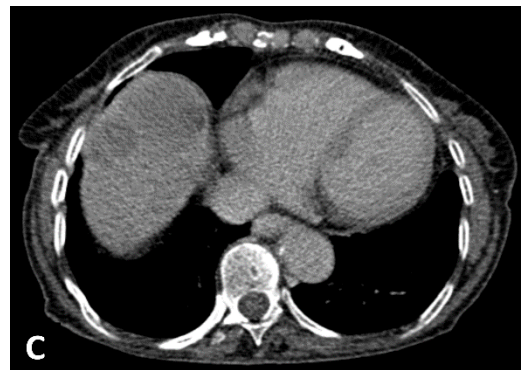

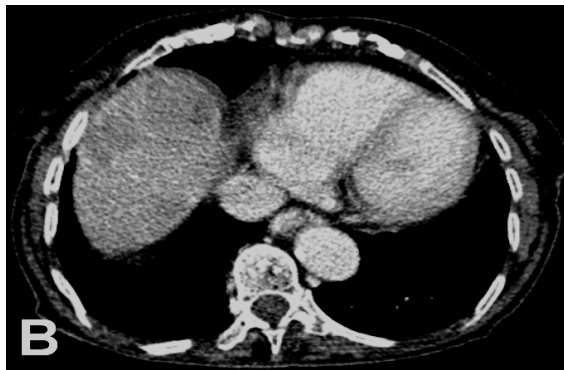

Hemangiom hepatic, aspect RM (nativ, arterial, venos, tardiv)

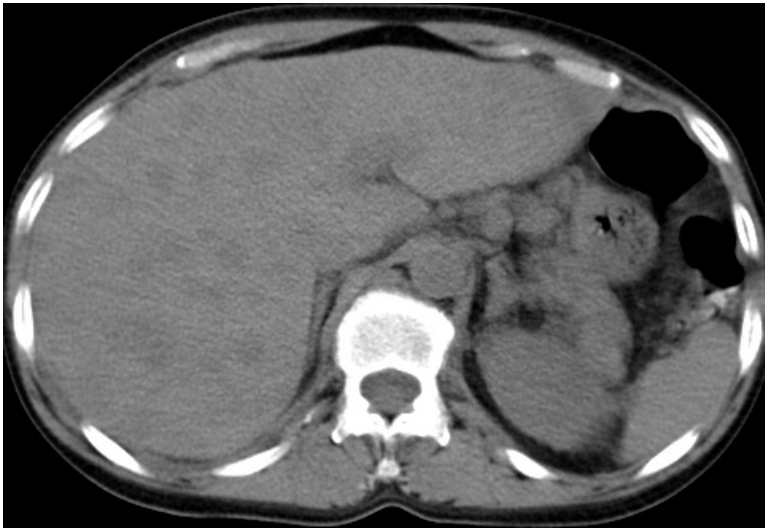

Carcinom hepatocelular, aspect RM (nativ, arterial, venos, tardiv)

Carcinom hepatocelular, aspect CT (arterial, venos, tardiv)

Metastaze hepaticke, aspect CT nativ + postcontrast intravenos

Aspect CT postcontrast intravenos de hematom subcapsular hepatic

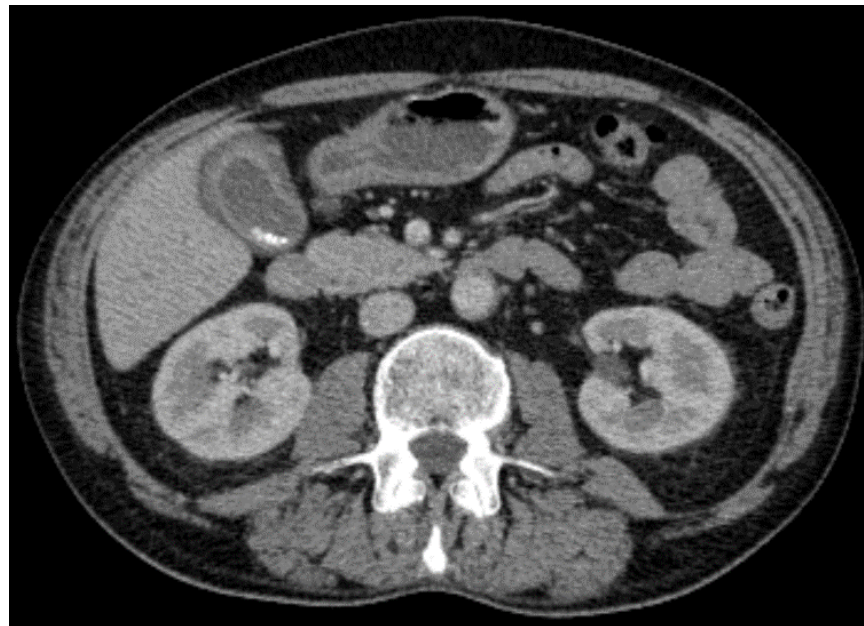

Aspect CT de dilacerare hepatica + hematom subcapsular subacut+cronic

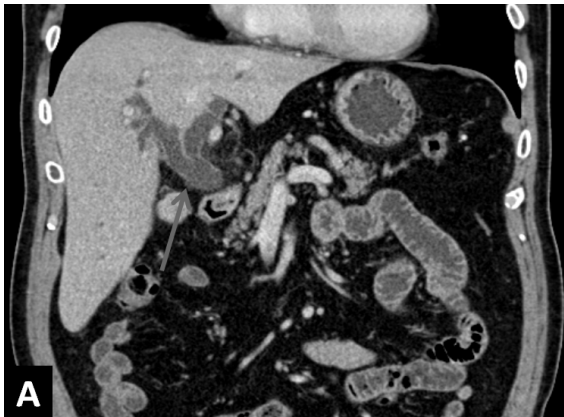

Calculi biliari (CT, MRCP si RM – secventa T2)

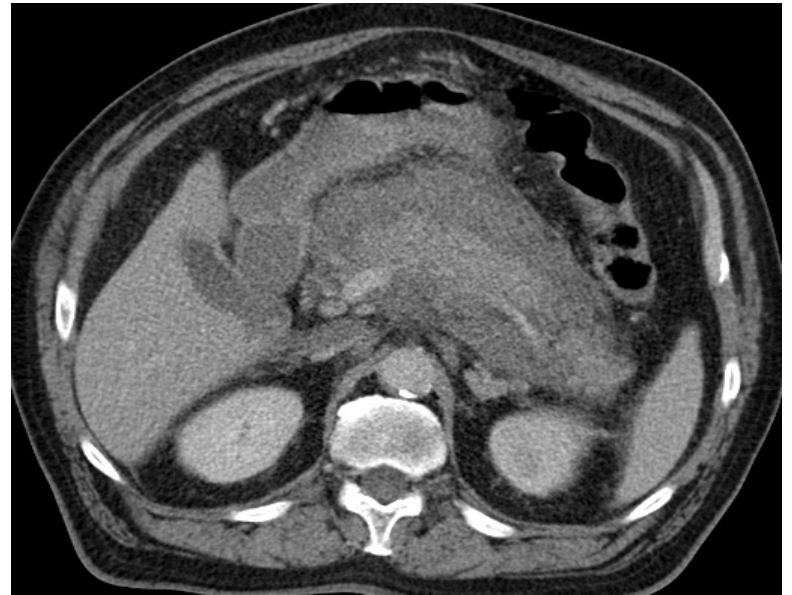

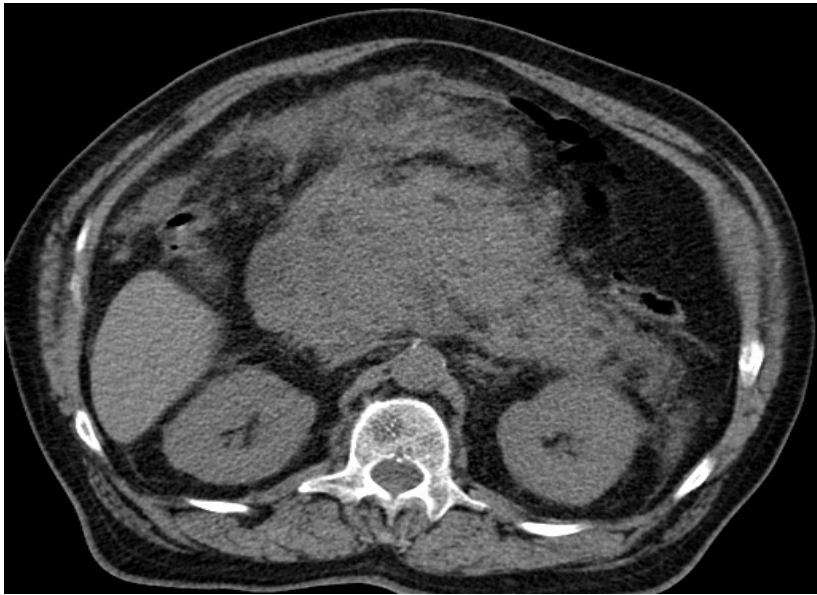

Aspect CT de colecistita acuta – fluid pericolecistic, calculi in colecist, colecist cu pereti iodofili

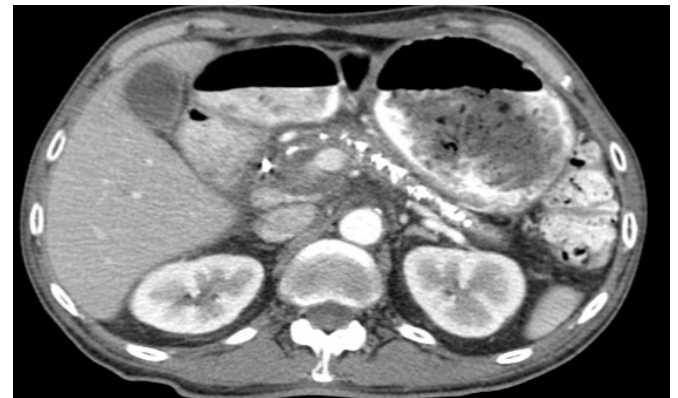

Aspect CT de colangiocarcinom dezvoltat la nivelul CBP cu dilatatie supraiacentă de cai biliare

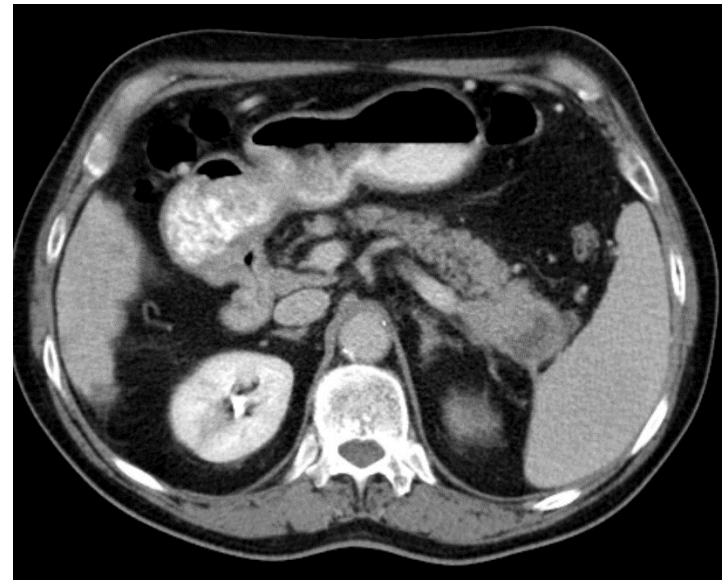

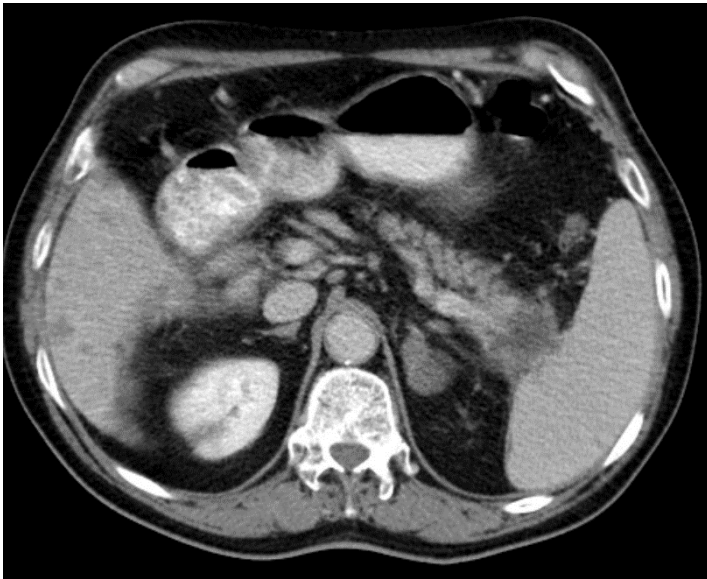

Pancreatita acuta, aspect CT nativ si postcontrast intravenos

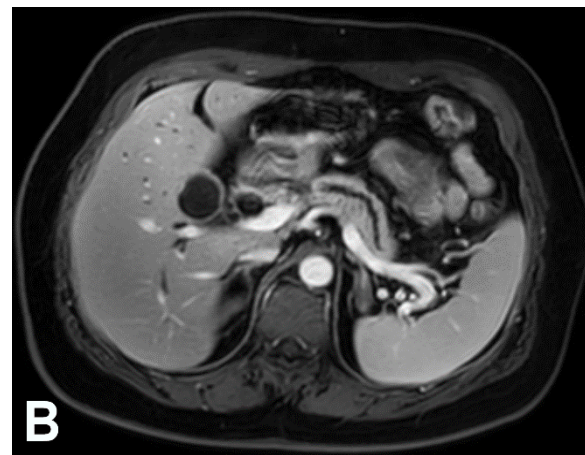

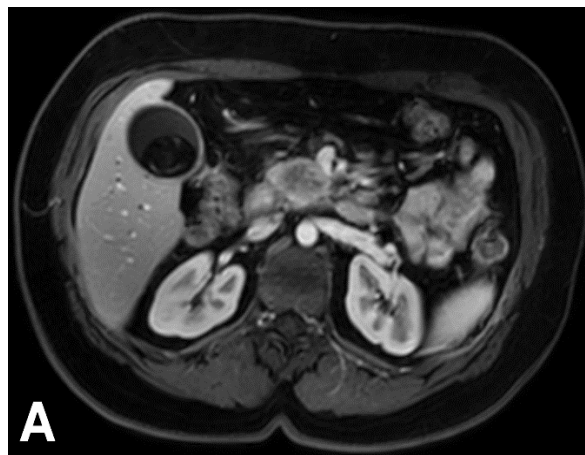

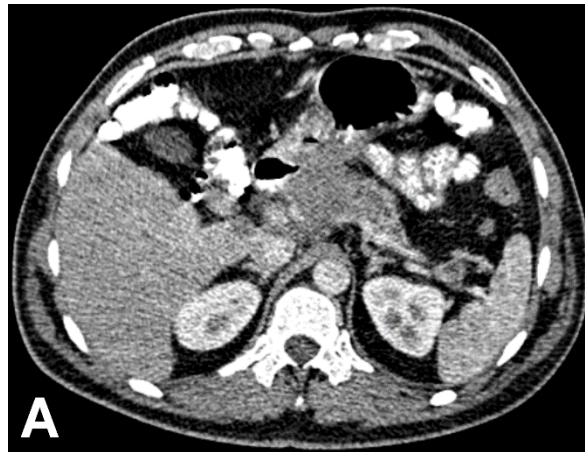

Aspect CT de pancreatita cronica, calcificari + pseudochist

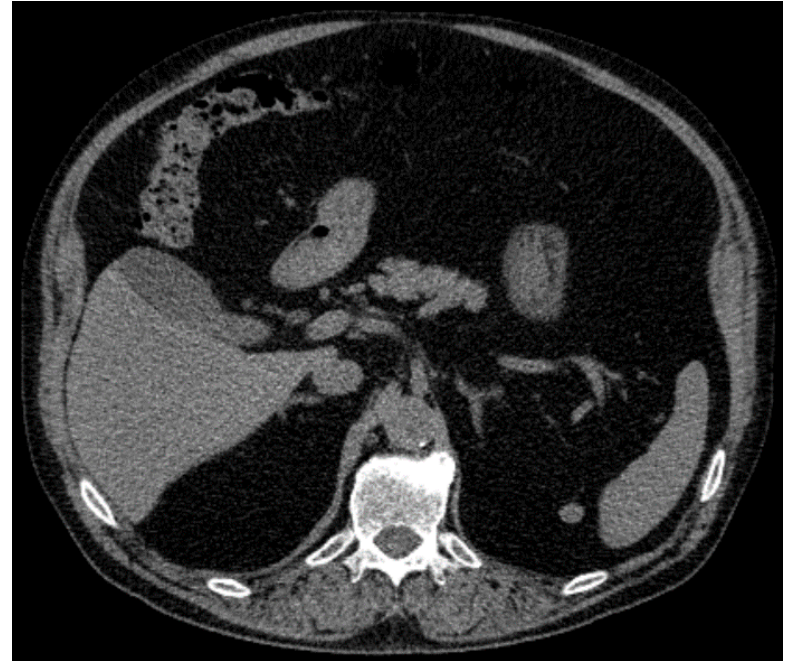

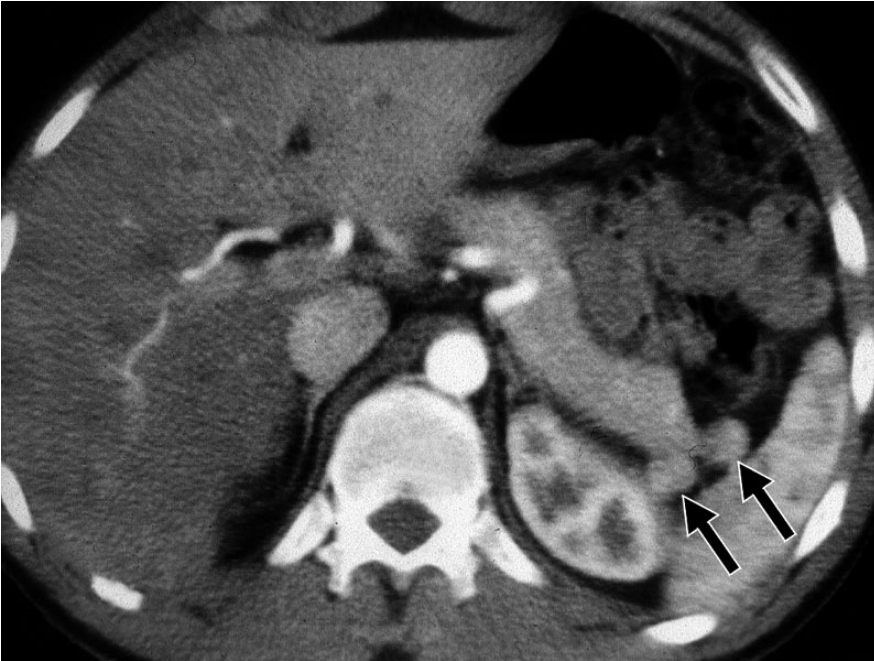

**Carcinom de coada de pancreas cu invazie in hilul splenic + metastaze hepatice,
aspect CT**

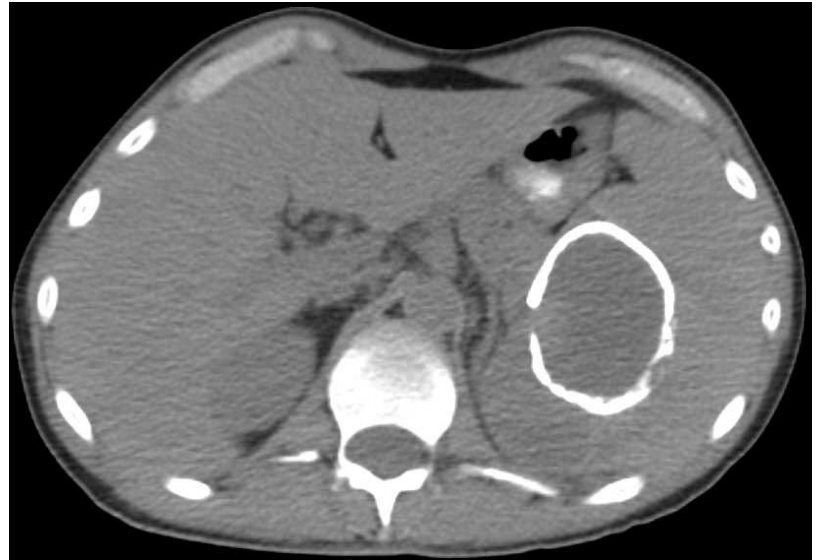

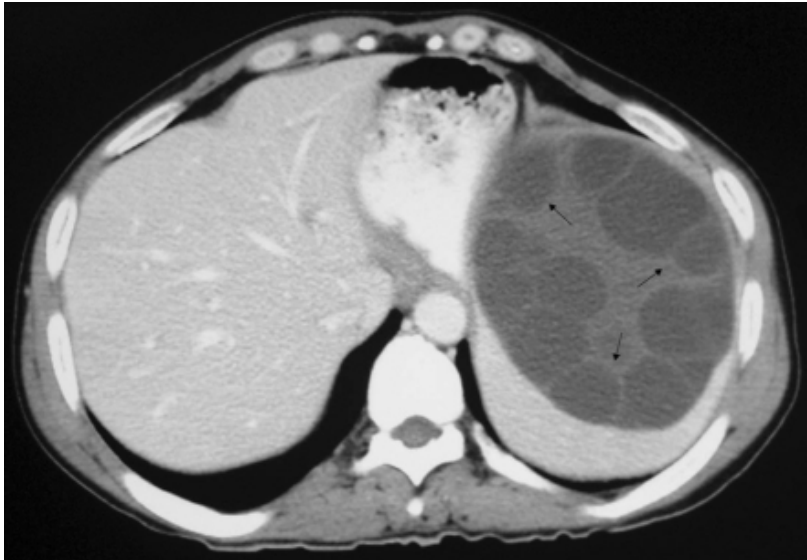

Carcinom cefalo-corporeal pancreatic cu dilatare de Wirsung, aspect CT (sus) si RM (jos)

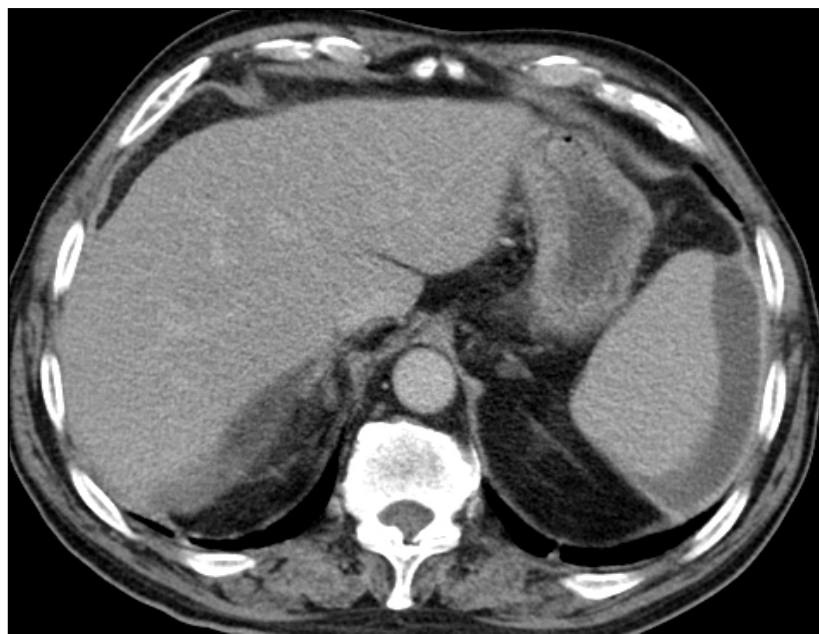

Spline accesorii, aspect CT

Aspect CT de chisturi hidatice splenice

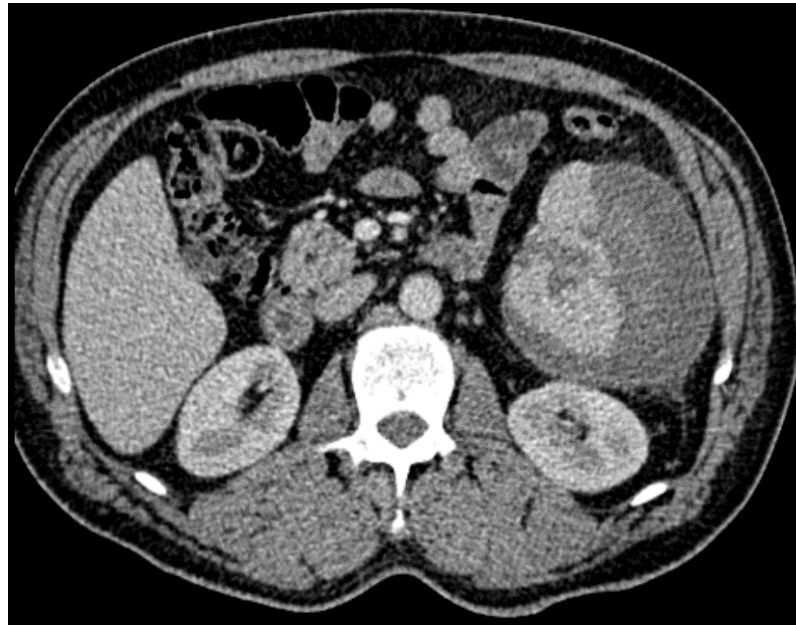

Aspect CT de hematom subcapsular splenic in stadiul cronic

Aspect CT de dilacerare splenică

Aspect CT de dilacerare splenică + hematom subcapsular splenic

Aspect CT de infarct splenic, zona triunghiulara cu varful in hil si baza in periferie
